

2020 Carbon Offset Rate Update (R203)

Rules Advisory Committee Roster

At its [April 24, 2020](#) meeting, the Energy Facility Siting Council initiated rulemaking proceedings to increase the monetary offset rate for carbon dioxide emissions under OAR 345-024-0580 from \$1.90 to \$2.85 per ton of carbon dioxide.

The Council appointed an advisory committee to provide input on the potential fiscal impacts and economic achievability of the proposed rate increase. The committee met via webinar on May 13, 2020. A summary of the meeting as well as an audio recording are available from the Council's rulemaking [webpage](#).
