

OREGON  
DEPARTMENT OF  
ENERGY

# Oregon Rental Home Heat Pump Program

April 26, 2023

# OREGON DEPARTMENT OF ENERGY

Leading Oregon to a safe, equitable, clean, and sustainable energy future.

## Our Mission

The Oregon Department of Energy helps Oregonians make informed decisions and maintain a resilient and affordable energy system. We advance solutions to shape an equitable clean energy transition, protect the environment and public health, and responsibly balance energy needs and impacts for current and future generations.

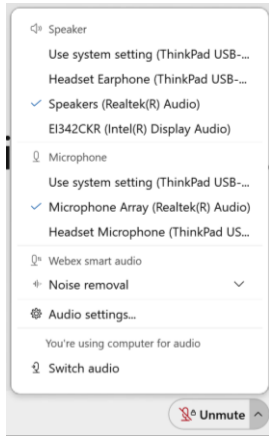

## What We Do

On behalf of Oregonians across the state, the Oregon Department of Energy achieves its mission by providing:

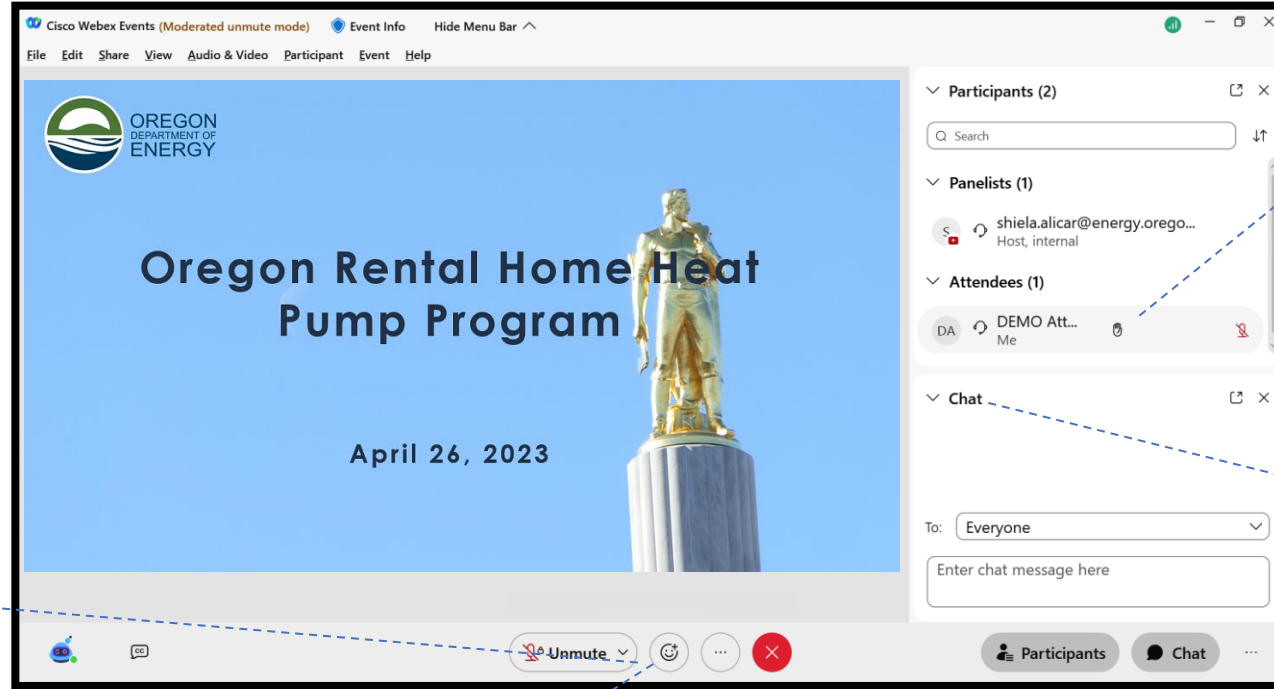

- A Central Repository of Energy Data, Information, and Analysis
- A Venue for Problem-Solving Oregon's Energy Challenges
- Energy Education and Technical Assistance
- Regulation and Oversight
- Energy Programs and Activities

# USING WEBEX

## Audio Options

You can check Speaker and Microphone settings by clicking the arrow next to Mute/Unmute.

## Reactions

Click to Raise your hand.

Click on Lower hand when you are done.

## Second Raise Hand Option

You can also click on the hand next to your name in the Participant list to raise your hand.

Click on Lower hand when you are done.

## Chat

You can chat to Everyone in the meeting.

You can send a private message to the Host or Presenter (or all Panelists when there is a Panel).

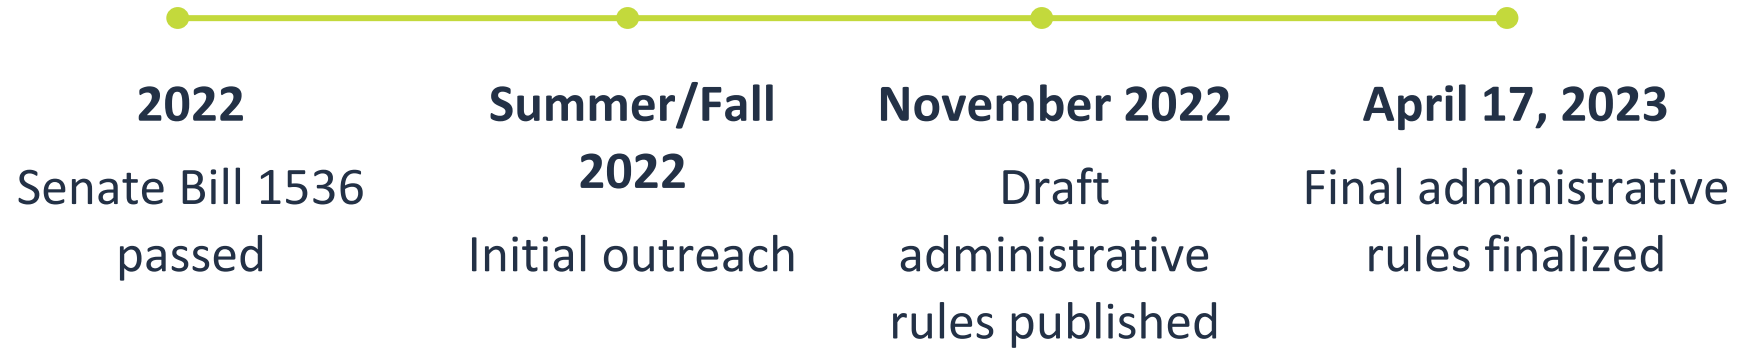

# Webinar Objectives

- To share information about program:
  - Administrative Rules
  - Processes
- To provide an opportunity to answer questions about the program
- To build an understanding of the program

# PROGRESS

---

# PROGRAM OVERVIEW

---

Financial assistance for the purchase and installation of heat pumps and related upgrades.

- ▶ Assistance available to owners of:
  - Rental units – does not include vacation occupancy or transient occupancy in hotel or motel.
  - Manufactured dwellings or RVs that rent a space in a manufactured dwelling or RV park
- ▶ Eligible contractors apply online.

# FINANCIAL ASSISTANCE

---

## Rebate Amounts

**Owner of a rental unit**

\$2,000 - \$5,000 or  
60% of purchase and installation costs  
of the heat pump

**Owner of manufactured dwelling or  
RV that rents a space in a  
manufactured dwelling or RV park**

\$2,000 - \$7,000 or  
80% of purchase and installation costs  
of the heat pump

- ▶ The rebate amount is dependent on the cost and efficiency of the heat pump, and on the income level of tenants.
- ▶ For grants for related upgrades, the maximum grant amounts range from \$2,000 – \$4,000, depending on the income level of tenants.

# PROCESS

---
