**From:** Sean Mole, Operations Analyst/Federal Projects Coordinator

**Date:** February 28, 2020

**Subject:** Agenda Item F (Information Item):  
Siting Operations Update for the March 13, 2020 EFSC Meeting

**Attachments:** Attachment 1: Siting Division 2020-2021 Annual Work Plan

---

## BACKGROUND

The Energy Siting Division uses the annual work plan to focus current process improvement activities and report on completion of past activities. The work plan provides direction and priorities for staffs' efforts beyond day-to-day activities and other established responsibilities. This year's work plan will be presented to Council at the March 13, 2020 meeting for Council's consideration and feedback.
