**8:30 AM**

#### Roll Call and Opening Remarks

- A. Consent Calendar** – Approval of November 19-20, November 25 and December 18, 2020 minutes; Council Secretary Report; and other routine Council business.
- B. Radioactive Materials Enforcement Rulemaking (Hearing)** – Christopher Clark, Rules Coordinator. The Council will receive public comments on the proposed revisions to OAR chapter 345, division 029, related to enforcement of rules and laws governing the transport and disposal of radioactive materials and waste in Oregon. The deadline to provide the Council with written comments on the proposed rules is February 10, 2021 at 5:00 pm. (Note: The description of this item has been corrected.)
- C. 2021-2023 Rulemaking Prioritization (Action Item)** – Christopher Clark, Rules Coordinator. The Council will receive an update on rulemaking activities conducted in 2020, and will consider staff's recommendations for potential rulemaking projects to be undertaken in the 2021-2023 time period.

**Public Comment** – The Council will provide an opportunity for public comment on potential rulemaking projects and their prioritization.

- D. Annual Financial Assurance Update (Action Item)** – Sisily Fleming, Fiscal Analyst. The Council will consider staff's recommended templates for financial instruments, and financial institutions recommended for the Council's list as approved for use by certificate holders in obtaining financial instruments in 2021.

- E. **Public Comment Period** – This time is reserved for the public to address the Council regarding any item within Council jurisdiction that is not otherwise closed for comment.
- F. **Golden Hills Wind Project, Council Review of the Proposed Order on Request for Amendment 6 of the Site Certificate (Action Item)** – Sarah Esterson, Senior Policy Advisor. Council will receive a staff presentation on the Proposed Order on Request for Amendment 6 of the Golden Hills Wind Project site certificate and will either adopt, modify, or reject the proposed order as the final order; and will grant or deny issuance of a sixth amended site certificate. The request for amendment seeks Council’s approval to extend the construction completion deadline by 18 months from June 18, 2021 to December 31, 2022; add approximately 534 acres to the facility micro-siting corridor to adjust the final location of access roads and collector lines; and, amend preconstruction condition language to align with a phased construction schedule, amend 9 previously imposed site certificate conditions related to the Council’s Historic, Cultural and Archeological standard, and 1 previously imposed condition related to the Council’s Fish and Wildlife Habitat standard.
