Subject: Agenda Item B (Public Information Meeting):
Well Springs Solar Facility Notice of Intent Public Information Meeting for the
March 19-20, 2026, EFSC Meeting

Attachments: Attachment 1: Public Notice of NOI, Info Meeting and Comment Period

On December 22, 2025, Well Springs Solar LLC (applicant), a subsidiary of MN8 Energy Development Company LLC (parent company), submitted an Notice of Intent (NOI) to submit an Application for Site Certificate (ASC) for the Well Springs Solar Project. As described in the NOI, the proposed facility would include up to 750 MW of solar photovoltaic power generation components and related or supporting facilities located within a 7,365-acre (11.5 sq. miles) site located on privately owned land zoned Exclusive Farm Use, approximately 5 miles northwest of Lone in Morrow County.

At its meeting on Thursday, March 19, 2025, the Council will host a public information meeting on the NOI. The public information meeting is an opportunity for the public to learn about the proposed facility and the state siting review process. Interested individuals will have the opportunity to ask questions of the applicant and the Department and provide verbal comments on the Notice of Intent. The duration of the time for individual commenters will be 7 minutes, but that may be lengthened or shortened based on the number of people who comment.

The public comment period on the NOI is from February 4 to March 26, 2026. **Written Comments must be received by 5:00 pm Pacific Time (PT) on March 26, 2026**, to be considered in the development of the Project Order.

More information about how to attend the public information meeting and submit comments is provided in the attached Public Notice of NOI, Info Meeting and Comment Period.
