Energy Facility Description:

Project Name (If Known):

I certify that I am employed directly or indirectly by the certificate holder and ask that my name not be disclosed in any manner except where disclosure is required by law. (OAR 345-026-0050(2)(b) Check if true.

Describe grounds for the request. Under OAR 345-026-0050(2), any person may request an inspection of an EFSC-jurisdiction facility. The requests are limited to two concerns:

| |
|---|
| <i>I believe a violation of a Council order or site certificate condition or warranty has occurred or may imminently occur. Describe, in detail. Provide site certificate or final order reference.</i> |
| Click here to enter text. |
| <i>I believe a situation exists that may lead to unnecessary exposure of an individual to hazardous materials or unsafe or dangerous conditions. Describe in detail.</i> |
| Click here to enter text. |

Location:

The more specifically you can describe the location, the easier it will be to make a jurisdiction determination and a determination as to whether a site inspection is warranted.
