Re: Notification of Withdrawal of Jordan Cove Energy Project, L.P.'s Application for
Site Certificate

Dear Mr. Cornett and Ms. Clifford:

This letter serves as formal notification to the Oregon Energy Facility Siting Council ("Council") and the Oregon Department of Energy ("Department") that Jordan Cove Energy Project, L.P. ("JCEP") hereby withdraws its Application for Site Certificate for the South Dunes Power Plant ("Application") from further consideration by the Council and the Department. We will be directing our legal counsel to file a motion in the contested case to dismiss the contested case as moot and take any other steps required to effectuate the withdrawal of the Application.

Please cease all activities associated with the Application, and please provide a final accounting of the cost reimbursement budget under the Cost Reimbursement Agreement between JCEP and the Department.

Thank you for all your efforts with regard to the South Dunes Power Plant.

Sincerely,

Meagan Masten
