Oregon Administrative Rule (OAR) 345-021-0010(1)(bb) requires proponents to provide “any other information that the Department requests in the project order or in a notification regarding expedited review.”

In its Project Order of January 10, 2018, the Oregon Department of Energy did not specifically identify any additional information to be provided in Exhibit BB. All information required by OAR 345 Division 21 or otherwise identified in the Project Order has been provided in the relevant exhibits.
