ODOE strongly recommends joining the WebEx meeting online, if possible. When you join, please use your full name so it is easier to identify attendees and manage public participation. Public participants will be in listen-only mode, but can use the WebEx tool to “raise your hand” to ask questions and share public comments. Additional instructions will be provided during the meeting for comments over the phone.

Alternatively, you can join the WebEx meeting by phone. Phone participants remain on mute and do not have an option to “raise your hand” to notify the Department that you wish to speak; however, the Department will offer an opportunity for phone participants to ask questions and provide comments.
