MEMORANDUM

To: Recipients of public notice for the proposed South Dunes Power Plant

From: Chris Green, Applications Analyst
Oregon Department of Energy

Date: October 4, 2012

Re: Supplemental Public Notice on the Notice of Intent for South Dunes Power Plant

This memo updates the attached August 21, 2012 Notice of Information Meeting on the South Dunes Power Plant. The update extends the comment period on the Notice of Intent to October 18 and provides additional information about the local land use approval process.

Oregon Department of Energy (ODOE) and the applicant held a Public Information Meeting on the Notice of Intent on September 11, 2012. A similar public information meeting will take place following the submittal of a complete Application for Site Certificate.

Extension of Comment Period on the Notice of Intent to October 18

In order to allow further public review of the Notice of Intent and the information on the local land use approval process contained in this notice, ODOE has extended the deadline to comment on the Notice of Intent to **Thursday, October 18 at 5:00 p.m.** Please note that this is only the *first* opportunity to provide comments. ODOE will consider comments received by October 18 as it drafts the Project Order for the proposed facility. ODOE will retain and review comments received after this deadline for use later in the EFSC process, during the review of the Application for Site Certificate.

Additional Information about the Local Land Use Approval Process

The Applicant can seek land use approval either from the local jurisdiction (“Path A”) or the Energy Facility Siting Council (“Path B”). In the Notice of Intent, the Applicant indicates it intends meet the land use standard by obtaining land use approval from Coos County. Any person interested in land use issues should participate in that affected local government’s land use process. *[CONTINUED ON REVERSE]*

More information about the local land use approval process is available from the Coos County Planning Department, at the address, phone number, or e-mail address below.

Coos County Planning Department
225 N. Adams Street
Coquille, OR 97423
planning@co.coos.or.us

ODOE will also post notice of Coos County's land use proceeding or decision on our website for the review of the South Dunes Power Plant at
<http://cms.oregon.gov/energy/Siting/Pages/SDP.aspx>.

For More Information about the Siting Council's Review Process

If you have questions or would like more information, please contact me at the address, phone number, or email address below.
