This page intentionally left blank

Oregon Administrative Rules (OAR) 345-021-0010(1)(z) requires proponents to provide information about the cooling tower plume if the proposed project includes an evaporative cooling tower.

The Yellow Rosebush Energy Center is exempt from the requirements of OAR 345-021-0010(1)(z), since the Project does not include the development or use of evaporative cooling towers.
