

**BEFORE THE ENERGY FACILITY SITING COUNCIL OF
THE STATE OF OREGON**

In the Matter of the Site Certificate)	SITE CERTIFICATE
for the West End Solar Project)	TERMINATION ORDER

1 On March 24, 2026, EE West End Solar, LLC, which is a wholly owned subsidiary of Eurus Energy
2 America did not begin construction by the mandatory beginning construction date as required
3 by Condition GEN-GS-01 of the Site Certificate issued on March 24, 2023. The approved facility
4 was a 50-megawatt solar photovoltaic power generation facility on 324 acres in Umatilla County.
5
6 Due to the failure to begin construction by March 24, 2026, the site certificate has expired
7 pursuant to OAR 345-027-0313.
8
9 THEREFORE, pursuant to OAR 345-027-0110(9), the Council hereby terminates the Site
10 Certificate for West End Solar Project as described in the Site Certificate.

Cindy Condon, Chair
Oregon Energy Facility Siting Council
