

OHCB Public Involvement

Summary of OHCB Survey
by
Kristen McNall

Other Information Sources

- DHS Open Source Reports
- Heart of America NW news
- Twitter, Instagram @HanfordSite
- Internet:
 - Defense Nuclear Facilities Safety Board
 - Office of Enterprise Assessments
 - Nuclear Waste Technical Review Board

What makes it hard?

- Lack of Interest/Time/Technical skill
- Been going on too long
- Difficulty demonstrating relevance to OR
 - Need Oregon specific information

What might help communication?

- DVD's and/or handouts
- Fliers before meetings; talking points
- Encourage people to join existing distribution lists
- **Specific information linking Hanford to Oregon**

Frustrations

- DVD's and/or handouts
- Fliers before meetings; talking points
- Encourage people to join existing distribution lists
- Specific information linking Hanford to Oregon

Frustrations

- Slow pace, stagnation, delays...
- Lack of communication
- DOE HQ not giving local management enough say
- Long permitting process
- Lack of Accountability for WTP performance

Other Thoughts

- Climate Change
- Relationship of Hanford waste to nuclear power
