Training Consultation Request Form

For Interest-Based Bargaining and Labor-Management Committee Training

ERB training programs are customized to meet the specific needs of parties. Choosing the training program that is right for you is a process that labor and management engage in together, in consultation with ERB training specialists.

A request for a free consultation may be made by completing this form. Submit your request for training by completing this form and uploading it to our online [Case Management System-CMS](#).

Upon receipt of the request, you will be contacted by ERB's Training Coordinator to set up the consultation. If one or both parties would like to speak with an ERB trainer separately, prior to a joint consultation, this can be arranged.
