AGENCY COORDINATOR POSITION DESCRIPTION

One or more Agency Coordinators are appointed for each state agency to carry out the following functions in support of collecting millions of pounds of food:

- Attend the Agency Coordinator Orientation.
- Set agency food drive goal and motivate employees to exceed the goal by use of email, newsletters, staff meetings, and other promotional strategies. Provide ideas, encouragement, and recognition to encourage full participation.
- Serve as primary point of communication with agency employees for information, questions, and progress reporting.
- Serve as primary point of communication with the Team Leader assigned to your agency for information and questions.
- Serve as a primary point of communication for the agency Site Coordinators and encourage their participation.
- Responsible for collecting site/offices' final donation results and including those totals in the final Agency Report due to the Planning Committee at the end of the food drive.

UTILIZING SITE COORDINATORS

For large agencies or agencies with multiple locations, Agency Coordinators may wish to designate Site Coordinators for each division, section, or location. Site Coordinators should obtain management approval to participate and discuss time availability with both management and the Agency Coordinator.

Site Coordinators typically carry out the following functions in support of the food drive:

- Motivate local office or section employees to exceed agency's food drive goal by use of email, newsletters, staff meetings, and other promotional strategies. Provide ideas, encouragement, and recognition to inspire full participation.
- Display posters and arrange for food and/or fund collection within local office or section.
- Plan and publicize fundraising events.
- Serve as primary point of communication with local office or section employees for information and questions.
- Collect local office or section food and fund donations and forward to Regional Food Bank. Collect payroll deduction forms and forward to the Agency Coordinator.
- Track local office or section's donations (including a list of employees who meet the Governor's Challenge).

Agency Coordinators are encouraged to share the Food Drive website with Site Coordinators, and point out helpful documents, including:

- Food and Fundraising Ideas
- Frequently Asked Questions
- Governor's Challenge
- Payroll Deduction Form
- Receipt Information
- Regional Food Banks
- Most Wanted Foods

Agency Coordinators should also clearly communicate deadlines for payroll donation forms and food drive report forms.

Tip: Utilize the sample Site Coordinator Communication on the website, under Coordinator information.

HOW TO RECRUIT SITE COORDINATORS

Tip: Recruit Site Coordinators as early as possible, in December or early January.

Here is a suggested process for recruiting Site Coordinators:

- Determine what sites (sections within your agency, field offices around the state) you want coordinators for. If you have several divisions in your agency, you may want a Site Coordinator for each division. If your agency has more than one location in the state, you may want a Site Coordinator for each office. Make a list of these sites/locations.
- Consider combining sites where it makes sense. You may have staff on two floors in your building. If your divisions are rather large, consider having one coordinator for each floor, for example.
- Send an email to all agency staff with the site list attached. Or, ask your agency director or other administrator to send the email if you think that may be more effective.
- Let staff know you need a coordinator for each site on the list, and the basic responsibilities of Site Coordinators.
- Give them a deadline to respond.
- If appropriate, request that managers identify a coordinator for each location. It can be very effective to get a response if the email goes out from an agency director and requests that all managers identify Site Coordinators for their areas of responsibility.
- Collect names for each site. For those sites that you do not hear from, follow up with staff or management for that site via email or phone.
- Send a personal thank you email to each site coordinator as you receive their name, letting them know you appreciate their participation and that you will provide additional information as the food drive progresses. (See sample email in the Coordinator Resources section of the www.oregon.gov/fooddrive site).
- Create an email group with all the Site Coordinators. Use this list to communicate food drive information to all Site Coordinators at one time.

If you have any questions, please contact your Team Leader or refer to our website at www.oregon.gov/fooddrive.

FREQUENTLY ASKED QUESTIONS

What is the Governor's State Employees Food Drive?

In 1982, Governor Vic Atiyeh sponsored the first State Employees Food Drive. State Employees collected food and funds for the Oregon Food Bank (OFB) Network. This tradition has repeated annually ever since. Agencies work in partnership with Regional Food Banks in the OFB Network to provide food assistance throughout the state and southwest Washington to individuals and families in need.

Who participates?

All state agencies, commissions, boards, and employees are eligible to participate. They may enlist the support of community partners in some of their food and fundraising activities. It is always a good idea to contact your Regional Food Bank before contacting community partners to see if there are any existing agreements already in place.

When is the food drive?

The food drive runs the month of February.

What can employees donate?

Employees may donate food or items for fundraising events. They may also make individual contributions via a payroll deduction, check, cash, or credit card (directly to their Regional Food Bank).

Who gets the food and donations?

The food and donations that are raised in your area stay in your area unless a donor specifically wants their monetary donation to go to a nonlocal food bank.

How do I order food collection barrels?

Food can be collected in any container. If you would like to use food bank barrels for collection, please contact your Regional Food Bank at least two weeks before the start of the food drive. Please keep in mind that the food bank uses both fuel and labor costs to deliver and pick up barrels. Any assistance state employees can give in delivering food donations to the Regional Food Banks is appreciated.

Who picks up the food and when?

Agency Coordinators or Site Coordinators are responsible for making arrangements for delivering the food to your local food bank. This saves both fuel and labor costs for the food bank. The Regional Food Banks would love to give you a tour of the food bank when you arrive with your donations so we can show you how your efforts and support make a huge difference in the community. If there is too much food to deliver by yourself, call your Regional Food Bank to arrange pick up of your donation. Please call at least two weeks before you need a pick up scheduled.

Who should checks be made out to?

Checks should be made out to the Regional Food Bank the employee wishes to support. The Oregon Food Bank Network operates on the principle of keeping donations in the area where they are collected.

Where do I take the money?

Checks and cash donations go to your Regional Food Bank. During the drive, be sure to place money in a secure location. Consolidating ALL of it (including change) into large bills or a cashier's check is greatly appreciated. In Salem, Heritage Grove Credit Union partners with the food drive with free accounts to deposit funds raised. They also have a change-counting machine. See information about Heritage Grove Credit Union in the Coordinator's Handbook.

How will I keep track of our donations dropped off at the food bank?

You will receive receipts from your Regional Food Bank for both the food poundage and the money you turn in. Use these receipts to add up your agency's totals.

What about keeping track of payroll deductions?

Employees will turn in their payroll deduction forms to their Agency Coordinator, who needs to note the total dollar amount donated for the year and who made the donation (for the purpose of determining who met the Governor's Challenge.) They will then forward the forms to your agency payroll officer. Be sure to contact your payroll officer to let him/her know what to expect and request they let the Agency Coordinator know if any forms are turned into them directly.

Since people can make either a one-time or 12-month payroll deductions, how do I count these?

You count the total amount an employee pledges to donate for the year, either the monthly donation multiplied by twelve (12) or the amount of a one-time donation.

What if an employee wants his or her one-time donation to go to a certain Regional Food Bank?

The employee will fill out a "Payroll Deduction", "Cash Donation Designation", or "Automatic Donation Methods" form on which he or she will designate which Regional Food Bank is to receive the donation.

Can I provide a receipt for tax purposes?

Tax receipts CANNOT be given for donations used for silent auctions, raffles, or food events. In order for a donor to receive a tax receipt, the donation must go *directly* to the food bank.

Should the food drive accept nonfood contributions?

Yes, Regional Food Banks and food cupboards/pantries will distribute toothbrushes, diapers, soap, and other personal items. Such items should be weighed and counted as pounds of food on the Agency Report Form. Please keep these items separate from food donations so no accidental contamination of the food occurs.

How many meals are assigned food and fund donations?

A \$10 donation allows the food bank to collect and distribute 30 meals. When the Governor's State Employee Food Drive totals are calculated, the conversion that will be used is three (3) meals for every dollar collected and 0.75 meals per every pound of food raised.

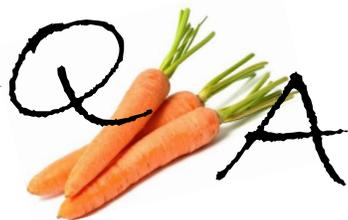

What are the guidelines for food sales, potlucks, chili feeds, etc.?

Food events should be held where public access is restricted. To be on the safe side, please hold food events in lunchrooms, break rooms, or conference rooms (preferably with hand-washing facilities nearby!) Safe food preparation guidelines should always be observed in these types of events – keep hot things hot and cold things cold, etc.! Do not advertise or sell food to the public. Use discretion in the locations that you post informational posters about food events, especially in buildings that have restaurants, cafes, or cafeterias run by outside vendors.

Can our agency count donations received outside of the designated food drive period as part of the Governor's State Employees Food Drive?

Fundraising events should be planned during the designated food drive period if possible. Some agencies, due to specific resources or through planning outside of the Governor's State Employees Food Drive, collect donations in other months. Those donations are very much appreciated by the Oregon Food Bank Network. However, those donations should not be counted toward the donation totals for the Governor's State Employees Food Drive.

FUNDRAISING ACTIVITIES

Can I solicit donations from grocery stores, vendors, shops, or vacation and recreational businesses?

Yes. Keep in mind that Regional Food Banks do have relationships with most grocery stores and food processors in their area and already have a commitment for donations, so please contact your Regional Food Bank before soliciting food donations that will go directly to the food bank from these businesses. Donated items can also be solicited for silent auctions, raffles, or for use in a food event. Make sure you are following regulations regarding gaming events. Tax receipts CANNOT be given for donations used for silent auctions, raffles, or food events.

What fundraising activities are legal?

Only BINGO, Raffles and Monte-Carlo events are legal. If you have a question about whether an activity is legal or perhaps causes a conflict of interest, make sure you have approval from your agency administrator and consult the Gaming Registrar at the Department of Justice (charitable.activities@doj.state.or.us) to be absolutely sure. You may also want to contact the DAS-Risk Management Division. Make sure you are following regulations regarding drawings and raffles.

Who approves activities?

Agency Coordinators or Site/Office Coordinators should discuss activities planned for the Governor's State Employees Food Drive with agency management. Management is responsible for agency activities and must know about food drive activities regardless of management participation.

What about having a "dunk tank" or "pie throwing" event to raise money?

While these are very popular, there are safety concerns with these activities. If you wish to investigate this option further, we suggest contacting a DAS-Risk Management representative.

What about raffles and other gaming activities?

Raffles, BINGO, chance drawings and other activities are considered gaming activities by the Oregon Department of Justice and there are regulations regarding record keeping and amounts raised. Your Team Leader cannot answer questions about gaming activities.

There is a document available at www.oregon.gov/fooddrive that summarizes gaming activities in relationship to the food drive called: "Gambling Events". The Gaming Registrar can provide a more detailed gaming information packet upon request. Contact charitable.activities@doj.state.or.us.

Do "silent auctions" fall under the gaming restrictions?

No. In a silent auction, you only pay if you make the highest bid — you don't pay for a "chance" to win. Therefore, silent auctions do not fall under the gaming rules.

Where can I get speakers to talk to staff about hunger and the role of food banks?

Contact your Regional Food Bank representative (on the www.oregon.gov/fooddrive website under Coordinator Information).

FOOD AND FUNDRAISING IDEAS

TIP! Payroll deductions are one of the easiest and most effective fundraisers. A few dollars a month goes a long way over the year!

Here are just a few ideas for food drive events. This is by no means a complete list, but will hopefully give you some direction if you are looking for ideas.

Competitions

- Lunch with a manager – employees bid on lunch with managers. Winning bidder makes donation for bid amount and goes to lunch with manager
- Staff make donations to participate in an activity or to be removed from participation
- Employee/Management Pledges – i.e., walk or jog-a-thon, etc.
- Sponsor a Manager – Raise money to have your manager compete in a manager only event – obstacle course, tricycle race, etc.
- Sports – basketball game, mini marathon run
- Change (money) wars, (loose change bucket)
- Friendly Beaver/Duck competitions

Food

- International kitchen – Sell ethnic food from around the world for lunch
- Taco, nacho, burrito, and chili feeds
- Salad, soup, potato, and oatmeal buffets with all the fixings
- Ice cream socials, root beer floats, smoothies
- Pizza parties
- Potlucks
- Popcorn

Sales

- Silent auctions (get donated items from businesses or individuals)
 - ** See important note about receipts for Silent Auctions under Receipt Information
- Used book sale
- Henna tattoos
- Craft bazaar
- Recycled treasure sale – “One Person’s Junk is Another’s Treasure”

Events

- **Valentines Events** – Singing telegrams, balloon sale, flower sale, chocolate sale, Valentine card sale, photo shoot, heart healthy food sales, etc.
- **Bag It** – Sponsor a brown bag lunch and ask staff to donate the cost of a lunch out or ask everyone to bring a lunch sack of nonperishable foods to donate
- **Talent Show** – donation for admittance

Other ideas

- Volunteer at local Food Bank, ask for team sponsorship
- Pop can collection station
- Pyramid power – Have teams build a pyramid of food or have teams bring food representing the nutritional food pyramid
- Competitions between departments for who can contribute the most *Most Wanted Foods*
- Place food donation boxes in common areas such as in break rooms or near copiers
- Join forces with your agency wellness committee

TIPS ON HOW TO INCREASE PARTICIPATION IN PAYROLL DEDUCTIONS

Email forms to all staff with encouragement to participate

- Emphasize how a few dollars a month goes a long way and its an easy way to help when you don't have a lot of time.
- Compare a monthly donation to the cost of a couple cups of coffee, and how many meals can be served
 - Two coffees = \$8 = 24 meals!

Offer a prize for turning in a payroll deduction form

- The prize could be a donation from a business or from a staff person (a coffee mug, the use of a parking space for a week, lunch with a manager)
 - Give everyone who turns in a payroll deduction form by a certain date a chance to win the prize.
 - Create a paper airplane contest for everyone who completes their payroll deduction form where the airplane that flies the farthest wins a prize.

Set forms out at events

- Encourage staff to turn in their form at the event. Have forms on the table at events. (Do not allow staff to use payroll deductions as a form of payment at events.)

Share hunger facts and information

- Take an excerpt from the Hunger Facts in the Coordinator's Handbook and make copies. Attach a copy to the payroll deduction form and put it in office mailboxes with a handwritten note: "Please consider helping people like Sam and his family (for example) by making a monthly donation."

GOVERNOR'S CHALLENGE

What's the Governor's Challenge? The Governor has challenged state employees to each donate at least \$144 annually to the food bank of their choice.

How can I meet the challenge? You can meet the challenge through a one-time payroll deduction, a monthly payroll deduction of at least \$12 per month (for one year), or a one-time cash donation.

Picture your **DONATION**:

\$12/mo

36 meals

\$15/mo

45 meals

\$20/mo

60 meals

\$40/mo

120 meals

RECEIPT INFORMATION

NOTE: Tax receipts cannot be issued to donors of in-kind or auction items.

Below are some of the ways state employees can elect to donate to their regional food bank of choice. Receipt information is provided for each method of payment:

Payroll Deductions — Contributions through payroll deductions are cost-effective. However, food banks **are not able** to send a tax receipt to state employees giving through payroll because they receive a lump payment from each agency payroll department and are not provided specific information for each employee. Please ask that the donor use their paycheck stub as a receipt.

Cash Donations — Complete the Cash Donation Form and submit to appropriate Regional Food Bank for a tax receipt.

Automatic Donation — Regional Food Banks that receives automatic donations through checking accounts or credit cards will send the donor a receipt for tax purposes.

Silent Auction Donations/In-kind Donations — A tax receipt **cannot** be issued to a donor of in-kind donations (donations of goods or services for use in silent auctions or bake sales, for example) given to individual State of Oregon departments as the Regional Food Bank did not take possession of the item.

Free accounts to deposit funds and free coin counting

Heritage Grove Federal Credit Union (Heritage Grove) is a proud supporter of the Governor's State Employees Food Drive.

Heritage Grove is a local credit union that has served State of Oregon Employees since 1964. We are located at 631 Winter Street NE, Salem, cross streets Winter NE and Union NE. We serve anyone who lives, works, worships, or attends school in Marion, Polk or Yamhill Counties.

We can help you during the food drive. For Agency and Site Coordinators based in Salem, we can provide free savings accounts and coin counting in support of the food drive. No need to have cash or change lying around.

This year, we will have one Marion-Polk Food Share credit union account. Each agency will have a credit union sub account under the Marion-Polk Food Share account to make and track their deposits. Once the food drive is over, Marion-Polk Food Share will transfer the funds from the credit union to Marion-Polk Food Share.

To deposit funds into agency sub accounts, visit Heritage Grove during business hours, let the teller know your agency name and that you want to deposit food drive funds, use the change machine in the lobby as necessary, deposit all cash with the teller, and retain the transaction receipt for your records.

Heritage Grove is open Monday through Friday, 9:00 a.m. to 5:30 p.m., closed weekends and federal holidays.

Note: Heritage Grove cannot process donation checks. All donation checks should be made payable to a regional food share and delivered to any food share in the network.

If you have questions, please contact Kirsten Conway, Heritage Grove's member at large on the Governor's State Employees Food Drive Statewide Planning Committee, at 503-485-4380 or by e-mail at kconway@OurGroveCU.com.
