

Oregon Employees' Charitable Fund Drive 2018

PROCESSING INSTRUCTIONS FOR SITE COORDINATORS

If you are processing gifts from multiple offices (physical locations), please put each office in its own envelope.

CASH MANAGEMENT:

If there is cash as a part of your event, for audit purposes, please make sure there are two people present when counting the money. Please convert event cash to money order or cashier's check before sending. If you receive cash from an individual designated for a specific charity, please seal it in a small envelope and attach it to their pledge form.

PAPER PLEDGE FORM:

1. Check each paper pledge form for completeness—make sure each has been signed.
2. Sort all pledge forms into three groups:
 - a) cash contributions, b) check contributions, and c) payroll contribution pledges.
3. Add up the total amount by type of gift. Fill in all columns. Enter the number of pledge forms enclosed.
4. Do not send copies of the pledge form to payroll.

EVENTS:

1. Enclose a Special Events Form for each event and indicate where gifts are to be directed: General gifts (5000) or the code number for the specific organization(s).
2. If sending multiple events in one envelope, use a separate line for each event and total the cash and checks for each event separately.
3. Indicate the number of people participating in the event—this can be an estimate.

ONLINE PLEDGES (CHECK GIFTS ONLY):

As a Coordinator, you should be able to see what online check gifts have not been collected for your area. Please contact those employees to collect their checks. Ask them to print out a copy of their pledge form to give you with the check. Should you have any questions, please call the CMO Team at (503) 223-9015.

Add up the total check gift amount. Fill in all columns. Enter the number of pledge forms enclosed. Make one copy of the front of the envelope to keep for your records. Enclose pledge forms and checks. **Seal the report envelope flap.**

Send your completed envelope to the Campaign Management Organization. Please don't mail cash—if possible, convert cash to a money order or cashier's check before mailing.
