GEOSPATIAL TRANSMISSION LINE DATA SHARING

Brian Fritz
Director of Transmission Services
Sharing Security and Access

- PacifiCorp shares data based on specific requests
- PacifiCorp does not provide data sets for the complete transmission or distribution system
- The infrastructure and data is dynamic
- Data is general not survey grade
- Access is not provided only data is provided
- What data is provided
Data Sharing & Third Party Access

- PacifiCorp’s view
  - Third party need
  - Third party position on data sharing
