

Geospatial Data Sharing Appeal Form

Oregon Revised Statute (ORS) [ORS276A.509](#) requires the Oregon Geographic Information Council (OGIC) to designate geospatial Framework data that must be shared by public bodies. As part of that ORS, public bodies may submit to OGIC in writing if a dataset is exempt from disclosure due to public records law ([ORS 192](#)), or if it meets other criteria for exemption. Please use this form to notify the OGIC Chair and formally submit an exemption request.

Please include only one dataset per form.

Reason for Exception (ORS 276A.509) *

- Exempt from disclosure under ORS 192.311 to 192.478.
- Additional costs would incur outside normal operating costs already incurred as the data custodian.
- Additional data or resources must be acquired in order to share the data.
- Data set should be considered as "Critical Infrastructure Information".
