

EXECUTIVE ORDER NO. 15 – 16

PROCLAMATION OF STATE OF EMERGENCY DUE TO IMMINENT THREAT OF WILDFIRE

Pursuant to ORS 401.165, I find that the State of Oregon is in a critical fire danger situation. Much of the state is now in extreme fire danger and red flag warnings have been issued for hot, dry, windy conditions and thunderstorms. Many of the endangered counties have already have emergency declarations related to drought proclaimed this year. We have experienced wildfires this season that resulted in evacuations and threatened critical infrastructure and hundreds of structures. Other parts of the country, including our neighboring states such as Washington, California, and Idaho, continue to experience similar fires and weather. The extended forecast in Oregon calls for continued warm and dry conditions, resulting in imminent threat of fire over a broad area of the State.

The Oregon Department of Forestry Incident Management Teams, along with National Interagency Teams are currently deployed in Oregon. Regional compacts are also being utilized for the deployment of specific wildland fire resources to Oregon. New and existing fire threats elevate the need for immediate access to state resources including firefighting helicopters. This threat is not likely to recede in the near future. It is critically important that National Guard resources be positioned to expedite resource requests and respond effectively to these dangerous and dynamic conditions.

Therefore, subject to the limitations described below, I hereby declare a statewide State of Emergency due to the imminent threat of wildfire.

NOW, THEREFORE, IT IS DIRECTED AND ORDERED:

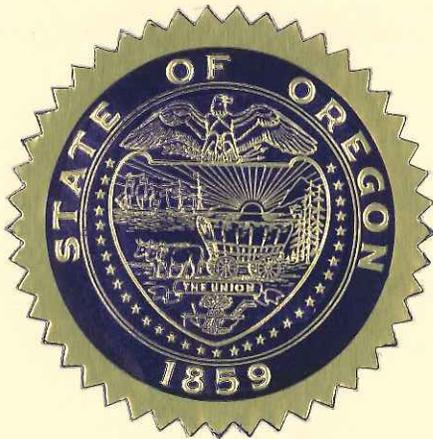

1. All agencies of the state government, including the Oregon National Guard, will utilize and employ state personnel, equipment and facilities for any and all activities as requested by the Oregon Department of Forestry and coordinated by the Oregon Office of Emergency Management. The Oregon National Guard will deploy and redeploy firefighting resources assets as needed throughout the remainder of the fire season based upon threat and resource shortfalls. All citizens are to heed the advice of emergency officials with regard to this emergency in order to protect their safety.
2. This determination of a wildfire emergency is statewide. It is not to be construed as a comprehensive declaration or proclamation of emergency for other purposes. It is limited to the use of state resources and personnel for fire management required by the emergency. Any local government requests for

state resources must be submitted through county governing bodies to the Office of Emergency Management pursuant to ORS Chapter 401.

3. This order shall remain in effect until the threat is significantly relieved or the fire season ends.
4. This order was made by verbal proclamation at 1:30 pm the 31st day of July, 2015 and signed this 25 day of August, 2015, in Salem, Oregon.
