2. The Klondike Fire, burning in Josephine County near the communities of Selma and Cave Junction
3. The Sugar Pine Fire, burning in Jackson and Douglas County in close proximity to the South Umpqua Complex

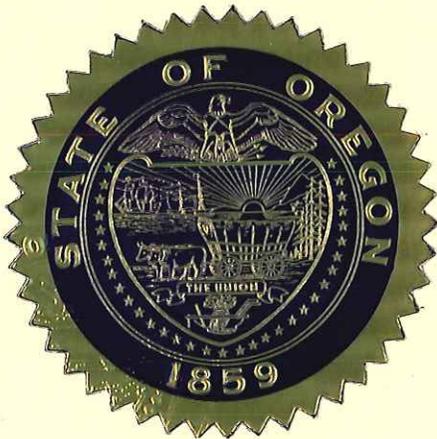

Due to the number of fires burning in Josephine, Jackson, and Douglas Counties, the Oregon State Fire Marshal is empowered by this Order to deploy resources to assist in structural protection on an as-needed basis until threats to structures subside and the Fire Marshal demobilizes from the region.
