- 3: 10 **Wetlands/Industrial Lands Development**

Kirk Jarvie & Fred Abousleman

 - Project Updates: (If time allows)

- **Next Meeting Dates**

SOUTH VALLEY/MID COAST REGIONAL SOLUTIONS CENTER

The Medical School Campus

The plan highlights the Pacific Northwest campus, and footprints adjacent vacant land where a second building of comparable size is planned in anticipation of an expanding medical school, as well as an Oregon location for other college programs from Western U.

The campus is evolving into a series of program areas with a particular emphasis:

- University Plaza: The location of COMP-Northwest, where other colleges are expected to locate to create a major health professions education center for the Willamette Valley and Southern Oregon.
- Hospitality Square: The location of a planned 100 room hotel and adjacent conference center.
- Retail Center: A location for retail stores, including a bookstore, college shops, and restaurants.
- Office Complex: A location for health professional offices, medical research and services firms and general office space.
- Patriots Place: A 150-bed Oregon Veterans Home, to house and care for Oregon veterans and their families.

The completed campus will have a significant educational, cultural and economic impact across the Willamette Valley and Western Oregon.

*MEDICAL SCHOOL LEADERSHIP

Paula M. Crone, DO

Dean, College of Osteopathic Medicine of the Pacific & COMP-Northwest
Vice President Oregon Campus Operations

Paul Aversano, DO
