Re: Letter of Request to move into Phase II Reopening

Governor Brown,

Coos County hereby requests to enter into Phase II Reopening on June 6, 2020. In making this request, we certify the following:

1. The criteria that were required to enter into Phase I remain in place for Coos County and continue to be met;
2. We attest the County has a good faith belief, based upon the available information, that first responders have sufficient Personal Protective Equipment;
3. We have at least ten trained contact tracers available to the County, which is the level appropriate and reasonable given the population of Coos County; and,
4. No substantive changes have been made to the responses submitted in the Phase I application regarding meeting the Phase I prerequisites.

Thank you, and please contact us if you have any questions.

Sincerely,

Melissa T. Cribbins
Chair
