

## Listening Session Method

---

Motus Executive Search has been retained to lead the search for the next Oregon Health Authority Director position. An integral part of the recruitment process is to conduct listening sessions with community partners and stakeholders. The information from the listening session will assist Motus with assessing the key attributes and skill sets required for the Director position, as well as detailing important deliverables.

## Logistics

---

The Motus team will facilitate a 60-minute listening session using five (5) structured questions. Motus is dedicated to fostering productive collaboration and meaningful communication throughout this listening session. Any additional input and insight from your perspective is highly encouraged. After each question is asked, we will pause to listen to feedback and responses from the group.

Please note the listening session will be recorded.
