Recap of RJC Meeting Legislative Preview/Legislative Day Meeting	<p><i>Meeting commences at 10:17am. Javier provides a legislative days recap.</i></p> <p>James: As RJC, as we lift a priority, that is something that could be shared or an opportunity for collaboration with BIPOC Caucus. To work through RJC. Jan and I have a keen focus on Economic Development. Its going to be hard to track. One body that can do a good job can be the RJC.</p> <p>Javier: The guidance Andre gave was to list all of these as one letter and has a template provided on the power point last week. Relying on you and Jan for any drafting of the advocacy letter for the committees.</p> <p>James: Will question where direction of EO has take us. Jan and I took time and did a redraft, think it's strong on compliance and accountability, it can be too strong but I don't think so. How do we next handle that conversation and are we still on a timeline. Now that I've read through it and made edits, what happens next.</p> <p>Javier: We'll let Andre take a look. Ciara also put a comment this morning.</p> <p>Jesse: Think that will work well. Think we can accelerate disparity study roadmap, hopefully wrap up march instead of May. Good timing.</p> <p>Javier: Workforce Workgroup will be done by Feb 8th.</p>	

	<p>Excited to look and check it out by our Feb 17th Committee meeting. If we have a letter before the Feb 17th meeting, let us know.</p>	
Potential Advocacy for Bills/Budget Investments Discussion	<p>Jan: For LCs on permitting and economic development, is that one of the LC's? Industrial land was one of the things mentioned in the LC. Want to track that and have knowledge on challenges on permitting, land use, and others.</p> <p>Javier: One of the governor's bills dealing with economic development?</p> <p>Jan: Just want to make a note I'm tracking that and committee should track as well.</p> <p>Jesse: The LC 186 is if you're out of tax compliance you can't contract with the business. The disproportionate tax compliance challenges with black and brown communities, accidental vs intentional and lack of resources. Does this impact communities of colors differently by going in as red.</p> <p>Javier: You were talking about LC 109 on Governor's bill.</p> <p><i>Meeting concludes at 10:39am.</i></p>
