

PERS UAL Task Force
Public Comment Summary
 July, 24, 2017

Prior to Monday, July 24, the Task Force received 6 substantive emails. Additionally there were a few test emails and emails pertaining to the administration of the Task Force.

The substantive emails included the following comments:

“We just want to make sure that any solutions to this ‘problem’ aren’t borne on the backs of the very people who make this state run.”

“I support actions such as the following to reach your goals...”

“The PERS program is not sustainable so it should be eliminated from the system.”

Issue/ Topic	For	Against	Other
