Rebecca moved to approve the August minutes, Chris approved. The motion approved unanimously.

SSIC Meeting Update

Marilyn provided an update to the Committee regarding the report to the Student Success and Institutional Collaboration Subcommittee on September 9, 2015.

Pilot Project Update

Donna provided an update regarding the CPL Pilot Project. The institutions have completed their Year One Exit Reports and as such, Donna is compiling information to be shared at the October meeting and to be included in the legislative report.

Legislative Report

The Committee walked through the first draft of the CPL Legislative Report and provided feedback for the next round of edits. Donna will incorporate these edits for the version to be reviewed in October.

Credit for Proficiency and CPL: Questions to Answer

The group discussed the upcoming joint conversation with the Council of Instructional Administrators and Provosts Council's Accelerated Learning Workgroup. Topics of interest for that conversation include the need for clarification regarding what is accelerated learning vs. what is credit for prior learning.

ACE Event in November

Donna shared that the registration page is now open and registrations are starting to come in. Advisory Committee members are encouraged to register.

Membership Recruitment

The Advisory Committee will need to put forth a slate of nominees for the upcoming year. Donna asked members to confirm their interest in continuing via email.

Next Meeting Planning

The October meeting will focus primarily on the joint conversation regarding accelerated learning and CPL and the completion of the legislative report.
