

HB 2998 Advising Report Update

Oregon Community College Association Oregon Council of Presidents

HB 2998 (2017)

Advising Report Requirement in Statute

SECTION 7. No later than June 1, 2018, community colleges and public universities listed in ORS 352.002 shall submit a joint report to the interim committees of the Legislative Assembly relating to higher education regarding best practices for advising students about:

- (1) Foundational curricula established under section 1 of this 2017 Act;
- (2) Unified statewide transfer agreements established under section 3 of this 2017 Act;
- (3) Methods for identifying a major course of study no later than the student's second year of post-secondary education;
- (4) Strategies and resources available to enhance student advising effectiveness and increase student access to information about unified statewide transfer agreements; and
- (5) Academic support services, with an emphasis on assisting students enrolled in courses or major courses of study with high rates of incompleton.

Timeline

Date Completed or to be Completed	Task
2017
