2018-2019 AP/IB Statewide Course Credit Policy - Annual update

**Summary:**

The Statewide Advanced Placement Policy was adopted per Senate Bill 342 in 2005, and is updated each year, with Commission approval, to reflect changes to the AP curricula. The Statewide International Baccalaureate Policy was adopted in January 2010, first reviewed in 2014, and updated each year to reflect changes in the IB curricula. Faculty at Oregon public university and community college campuses review the curricular changes and provide input for the statewide policy through members of the AP/IB Workgroup. Members of the Statewide AP/IB Workgroup are listed on page 2 of the policy.

*2018-19 AP Policy Highlights*

One course, U.S. Government and Politics was reviewed. Credit will be awarded for an exam score of 3 or higher in the amount of one course, from 3 to 5 credits depending on the institution.

*2018-19 IB Policy Highlights*

There were five IB subjects reviewed during the 2017-2018 academic year. One school based syllabus course was reviewed: Art History. Art History was added to the statewide policy, and credit will be awarded for a grade of 5 or higher at the standard level. Four revised IB courses were reviewed: Film, Geography, Psychology, and Social and Cultural Anthropology. The credit award remains the same in these subjects; one course for standard level, and two courses at the higher level for a grade of 5 or above with the exception of Social and Cultural Anthropology, also unchanged, where the credit award remains one course at the higher level.
