

**Docket Item:**

Update on Cosmetology Minimum Rule Hour Implementation

**Summary:**

Revisions to OAR 715-045-0200 – 715-045-0220 established new minimum standards for both hourly and competency-based cosmetology schools.

Since the Commission approved the revisions to OAR 715-045-0200 – 715-045-0220 on December 13, 2018, this agency has not received any additional feedback regarding these rules. They are file with the Secretary of State as permanent and we do not anticipate any changes.

**Staff Recommendation:**

Information only.

Per the request of the Commission, at future Commission meetings, staff will deliver updates on:

- number of program revision submissions received
- processing submissions
- implementation timeframe
- any additional information related to accreditor and Title IV approvals
