Workforce and Talent Development Board (WTDB) Strategic Plan

Summary

Based on the increased rate of change in the economy and Oregon's talent marketplace, the Workforce and Talent Development Board (WTDB) leadership elected to shift from a five-year strategic plan to a two-year cycle. This change will result in a more useful and relevant strategic plan due to better alignment with federal reporting requirements and the State legislative session and budget cycle. The 2020-2021 WTDB Strategic Plan is designed to help maintain and increase workforce system funding streams through more thoughtful alignment and legislative strategy that will provide the resources necessary to achieve the goals outlined in the WTDB Strategic Plan, the State Workforce Plan, HB 3437, and other WTDB planning efforts. Changing to the two-year cadence also provides increased opportunities to develop and refine innovative and effective strategies to better meet the needs of the customers we serve.
