### AP Statewide Course Credit Policy

Starting in the fall of 2019, the updated Statewide Advanced Placement Policy expands access to articulated college credit for high school students with a score of a 3 on their AP subject exams (while the minimum score was previously 4 in some subjects). This document aims to consolidate and communicate Advanced Placement (AP) course credit articulations for the 7 public universities and 17 community colleges in Oregon.

Data was compiled by the Higher Education Coordinating Commission during the 2019-2020 academic year and will be updated to reflect the latest articulations regularly during the first year of the redesign implementation. Updates for articulations listed in this table should be sent to Erin Weeks-Earp ([erin.weeks-earp@state.or.us](mailto:erin.weeks-earp@state.or.us)) at the HECC. Updates will only be accepted from community college or university registrars or members of the AP/IB Policy Workgroup.

#### To read the chart:

The far left includes four identifier columns, followed by 24 columns of specific articulations. The first column (Column A) contains the Core Transfer Map subject areas, (Column B) includes Credit Ranges for each score and subject, and finally, (Column C) lists the AP Exam Subject, these are in Alphabetical order down the rows. Column D shows exam scores (3, 4 and 5).

Colleges and Universities are listed in the remaining columns and for each AP exam. The cell at the intersection of university/college column and score row shows the respective course articulation (e.g. ART 204) and the awarded credit (figure in the parentheses).
