

Docket Item:

Executive Director Report: COVID-19 related actions involving the HECC

Summary:

Over the last six weeks, the HECC has played a key role in helping coordinate and lead Oregon's postsecondary and workforce systems in their planning and response to the COVID-19 virus. Simultaneously, the agency has shifted to a near-100 percent telework environment for its own staff, consistent with Governor Brown's "Stay Home, Save Lives" order.

Materials:

See attached timeline of actions.

Staff Recommendation:

For discussion purposes only.
