Summary

575-039-0020: Changes the high school student GPA requirement from 2.5 to 2.0.

575-039-0060: Changes the minimum grant award from \$1,000 to \$2,000 and allows the minimum award amount to be adjusted each year to account for tuition increases based on inflation.

575-039-0070: Removes the condition of the award for Selective Service Registration Compliance to align with federal regulations.

575-039-0080: Allows the Commission to consider both projected resources and statutory modifications that will take effect during the current biennium to determine whether there are sufficient moneys to award a grant to each person who meets the eligibility criteria.
