

**Docket Item:**

Applied Baccalaureate Degree Approval Process Update

**Summary:**

Recently HECC staff have received feedback regarding the approval process for Community College Applied Baccalaureate Degrees. As a result, staff have made some changes to the approval process. These changes are procedural and provide an opportunity for improved collaboration and communication among the institutions.

Staff will present an overview of the approval process changes and an update on recent actions taken by the Commission.

**Staff Recommendation:**

No action required. Informational item only.
