

Docket Item: 7.4

University Program Approval for a New Location: Oregon State University, Bachelor of Science (B.S.) in Biochemistry and Molecular Biology.

Summary:

Oregon State University proposes a new location in Bend, Oregon at the OSU-Cascades Campus to offer its existing program leading to B.S. in Biochemistry and Molecular Biology. Higher Education Coordinating Commission (HECC) staff completed a review of the proposed program. After analysis, HECC staff recommends approval of the program as proposed.

Staff Recommendation:

The HECC recommends the adoption of the following resolution:

RESOLVED, that the Higher Education Coordinating Commission approve the following program:

Oregon State University B.S. in Biochemistry and Molecular Biology may be offered at the OSU-Cascades Campus in Bend, Oregon
