

Docket Item:

Adoption of SB 1540 (2016) Report: Tuition Support for Math Majors

Summary:

HECC staff led a workgroup of university, community college, K-12 and other stakeholders to fulfill the charge of SB 1540, which directed HECC to examine the feasibility of tuition grants for math majors to increase math degree production at Oregon public universities. The report and recommendations of the workgroup are submitted to the Subcommittee for review and forwarding to the Commission for adoption.

Docket Material:

The report is attached.

Staff Recommendation:

Staff recommend the review and forwarding of the Report to the full Commission prior to submission to the Legislature on January 17, 2017.
