

ADDENDUM #1

Question 1:

Are pre-award eligibility costs eligible for reimbursement? Related, what is the Allowable Cost Period for the resulting grant agreements?

Answer 1:

Yes, technically pre-award costs may be eligible because the Allowable Cost Period will be January 1, 2022 to June 30, 2023. Notwithstanding the foregoing, there is no guarantee that an Applicant will receive a grant or receive reimbursement of any funds incurred prior to the execution of a grant agreement. Any expenses incurred by an Applicant prior to the execution of a grant agreements is at the sole risk of the Applicant.

Please note that by this Addendum #1, HECC is revising its Application to the RFA because the prior version unintentionally omitted two questions related to **Section II: Populations to be Served** that were in the Evaluation Score Sheet in the RFA, but not in the Application itself.
