<p>Purpose and Scope</p>	<p>The purpose of convening Industry Consortia is to:</p> <ul style="list-style-type: none"> • Be a forum for identifying ways industry can engage in innovation, co-investment, and implementation of workforce and talent development strategies that center economic mobility and the needs of historically marginalized communities. • Be a mechanism for coordinated action and implementation by public, private, and community-based partners around shared issues and opportunities, including the curation of resources and investments that solve shared workforce and talent development problems. • Be a vehicle through which industry in Oregon can develop and demonstrate a shared commitment to equity, through talent development practices and investments supporting equitable recruitment, retention, and career advancement strategies that center the needs of historically marginalized communities. • Make strategic policy and funding recommendations to address gaps and opportunities in addressing the workforce needs of the healthcare ecosystem. • As the convener of the Healthcare Industry Consortium the HECC is leveraging partnerships and resources to inform its sector specific workforce and talent development expertise.
<p>Equity Statement, & Group Agreements</p>	<p>Equity statement</p> <ul style="list-style-type: none"> • The Industry Consortium will adapt and employ the HECC Equity Lens to shape their work. • HECC’s Equity Stance: <i>For the HECC, equity in postsecondary education and training will be achieved once one’s community or characteristic—including but not limited to racial/ethnic identity, socio-economic background, dis/ability status, gender, parental status, veteran status, sexual orientation, and geographic origin or location—no longer predict inequitable</i>

	<p><i>access to and success in postsecondary education and training. We will work towards this by addressing the root historical causes of systemic racism and inequities, not just their manifestation. This work includes the intentional examination and elimination of policies, practices, attitudes, and cultural messages that perpetuate the stark inequities in postsecondary education and workforce training we see today.</i></p> <p>Group Agreements</p> <ul style="list-style-type: none"> The Consortium will work collaboratively and honor the diversity of members and thinking. The Consortium will use group agreements to support their work.
<p>Timeline and Outcomes/ Deliverables</p>	<ul style="list-style-type: none"> Short-term (April 2023 – January 2024) <ul style="list-style-type: none"> Consortia will inform HECC’s Future Ready Oregon funding opportunities, with significant effort focused on Workforce Ready Grants which comprise nearly half of the total Future Ready Oregon investment. The Healthcare Industry Consortium will reach consensus on a first set of recommendations that will inform criteria for future rounds of Workforce Ready Grant funding. Medium-term (through December 2025) <ul style="list-style-type: none"> The Healthcare Industry Consortium will continue to assess healthcare workforce needs, identify education and training assets and gaps, and recommend policy and funding strategies to address priority gaps and opportunities. The Healthcare Industry Consortium will establish a standing workgroup structure. The Healthcare Industry Consortium will establish success measures including Performance measures for the Healthcare workforce system and Collective impact measures that the Healthcare Industry Consortium will hold itself accountable to. Long-term/persistent (2026 and beyond) – The Consortium will continue to assess statewide, industry-specific workforce needs, skills standards, and career advancement strategies, and recommend policy and funding strategies to address priority healthcare workforce gaps and opportunities.
