(L)	Narrative discussion
	(A) Describe any work being done at the institution to ensure the institution has accurate information The institution tracks all reports to the Title IX Coordinator, incident reports, and allegations of misconduct reported to the institution. Additionally, the institution requests crime report data from local law enforcement related to Clery Act crimes that occurred on campus. This data collection aids in the collection of data required for this sexual misconduct report.
	(B) Explain any trends and changes in data regarding the numbers being reported;

	<p>There have not been any changes in data regarding numbers being reported. N/A</p> <p>(C) Discuss any supportive measures provided or potential gaps in supportive measures being provided; Supportive measures are available to students. However, supportive measures were to provided during the most recent academic year due to zero (0) reports of sexual misconduct.</p> <p>(D) Discuss how the institution is working to eliminate sexual misconduct on the campus of the institution. The Institute of Technology publishes student conduct materials in the Catalog, Consumer Information Report, and publishes an annual Campus Crime, Clery Act, Title IX and Emergency Preparedness report. All are available to students via the MyIOT student portal and on the iot.edu website. These policies are provided to all prospective students, distributed annually on or before October 1st, and are reviewed during orientation. All incoming students receive annual Title IX and Clery Act training via the MyIOT student portal. During orientation, and throughout enrollment, the Student Services department provides access to student support materials and makes students aware of the services they offer and how they can help. Additionally, they partner with local agencies to either share resources, or have representatives visit the campus.</p>
