GENERAL INFORMATION

The Declaration of Intent (attached) serves as the formal notification that the college is initiating the 60 day engagement and consultation period required for new baccalaureate program development.

During this period, the college is responsible to and for:

- Initiate Engagement: Begins the formal 60-day consultation process.
- Outreach: Contacts public and private post-secondary institutions to solicit input.
- Collaboration: Works with partner institutions to develop solutions that best serve students and meet workforce needs.
- Needs Assessment: Conducts research and compiles evidence demonstrating the necessity of the proposed degree within the college district. This supports clear communication of the rationale to other post-secondary institutions.

*****All consultation requests from private and public institutions must be received by the declaring college no later than two weeks before the 60 days are completed.*****
