

MTM Subcommittees 2024-2025

Transfer Council and the HECC would like to express their appreciation for subcommittee members, whose dedication, time, and expertise helped pave the way for improving transfer experiences for students in the State of Oregon.

As per SB 233 Section 6 (5)(b), a subcommittee established by Transfer Council must “consist of equal numbers of faculty from public universities and community colleges.” Transfer Council determined that each subcommittee would ideally consist of 8 members from community colleges and 8 members from public universities. This is a list of all subcommittee members with their institutional affiliation. ** indicates a subcommittee Co-chair.
