Umpqua Community College

To: Eastern Oregon University
Oregon State University
Portland State University
Southern Oregon University
University of Oregon
Western Oregon University
Oregon Institute of Technology

180 total credits for: **Bachelor
of Science in Business**

Introduction: A Major Transfer Map Curriculum and Articulation Policy (MTM CAP) is for students transferring from a participating Oregon community college to any participating Oregon university who know which major/bachelor's degree program they want to pursue. The MTM CAPs identify the optimal and specific set of lower division courses students must take to transfer efficiently into the major at the university. The successful completion of the major transfer map allows students to receive the number of academic credits referenced in this MTM CAP, and comparable standing to the status of students with the same number of academic credits in the major course of study who began their postsecondary studies at the public university. MTM CAPs must include at least 30-credits of general education defined by the Core Transfer Map (CTM). MTM CAPs may choose to specify relevant or required General Education courses as part of the 30-credit CTM component of the MTM CAP. Receiving institutions will not require students to retake a course if the minimum grade requirements, specified in this agreement, have been met.

The statewide MTM CAPs will use one of the following formats. The selected format will be specified in each approved MTM program:

- an Associate of Science Transfer degree in Business

Students must have earned a cumulative grade point average of 2.0 and meet the residency requirements at the community college awarding the MTM.

When students complete an MTM, the general education courses in the "Core Transfer Map" portion of the MTM, for which minimum required grades have been earned, are guaranteed to transfer into general education, degree, or major requirements for a bachelor's degree at any Oregon public university (ORS 350.404).

Students who want to transfer prior to completing the MTM should talk with their community college advisor and an advisor at their target university prior to transfer about how their courses will count towards general education requirements and degree/major requirements. If the MTM is not awarded advisors can guide students to determine if they are eligible for a CTM.

The guarantees and limitations in the next two sections describe the requirements all participating institutions.

Part 1: Guarantees

Students who complete all the requirements specified within an MTM CAP (i.e. an MTM CAP associate's degrees or an MTM non-degree package when optimal transfer requires fewer than 90 credits) as defined, who have earned the minimum required grades and a cumulative 2.0 GPA or higher, meet residency requirements, and who are admitted to the receiving institution's corresponding major/degree program are guaranteed the following:

1. Time until completion of the major at the public university that is comparable to time until the completion of students with the same number of academic credits in the major course of study who began at the public university (when the MTM is equal to at least 90 credits this would equate to receiving "junior status in the major course of study at the public university").
2. Catalog rights follow the MTM CAP agreement. Eligibility to graduate following the bachelor's degree requirements in effect at the university during the academic year the student first enrolled in the community college that awarded the Associate of Arts Transfer degree in [MAJOR] or Associate of Science Transfer degree in [MAJOR]. If the student does not complete the MTM CAP

bachelor's degree within 7 years of the first enrollment at the community college awarding the MTM CAP, they should meet with an advisor to determine which catalog to use.

3. If a student transfers before completing the MTM CAP, all courses will still transfer but may not apply in the same way as they would if the MTM CAP was completed. If the student has completed a CTM, the guarantees inherent in the CTM apply. All courses in the incomplete MTM CAP or incomplete CTM will transfer individually.
4. The ability to file a student complaint.
 - a. Students encourage to first follow their home institution's internal complaint process (e.g., talk to their academic advisor, academic unit, Registrar or Provost)
 - b. Students may send complaints in writing to the Transfer Council. transfercouncil@hecc.oregon.gov].
 - c. No later than 2027, the Commission will approve Oregon Administrative Rules that outline a comprehensive student complaint process that will center the Transfer Council as the primary focal point for interinstitutional transfer student complaints.
 - d. The HECC only has authority to handle student complaints if they are related to discrimination or retaliation.
5. Students who successfully complete the MTM CAP at a community college will have the MTM CAP notated on their transcript. If the MTM CAP takes the form of an associate degree, it will be reflected in the standard degree posting format used by the community college and specifically notated on page two of this document. If the MTM CAP is not an associate degree, but rather an optimal transfer point with fewer than 90 credits, it will be posted as a notation on the community college transcript and specifically notated on page two of this document.

Part 2: Limitations

1. Completion of the prescribed curriculum in the MTM CAP does not guarantee admission to a participating receiving institution. Students must meet all admission and application requirements at the receiving institution in place at the time of admission, including the submission of all required documentation by stated deadlines.
2. Minimum grades required for general transfer and for application to major requirements and pre-requisites may vary by each Oregon public university and by each degree/major. Each MTM CAP agreement will specifically list the minimum grade requirements that will guarantee transfer including minimum required grades for major courses and Pass/No Pass limitations. All schools accept a grade of a "C -" or better in all general education courses. Students should contact the admissions counselor or intake advisor at the university they intend to transfer to for more information.
3. Completion of an MTM CAP and admission to a receiving institution does not guarantee enrollment in a specific degree program. Some programs at receiving institutions have controlled and/or competitive entry due either to space limitations or academic requirements.
4. The credit and course transfer guarantees described in the specific MTM CAP apply only to the specific degree programs covered by this policy. Therefore, if a student changes to a new major some courses may not apply the same way towards the new major as they would for the original major. When students change majors, the previous MTM CAP major guarantees may no longer apply and receiving institutions will evaluate applicability of transfer on a course-by- course basis.
5. AP (Advanced Placement) and IB (International Baccalaureate) credit:
 - General Education Courses in the MTM CAP:

AP and IB articulated credits used to meet the general education components of the Major Transfer Map Curriculum Articulation Policy will transfer and are guaranteed to fulfill general education requirements at the receiving institution if the articulated credits are listed on the Advanced Placement and International Baccalaureate Statewide *Course Credit Policy* found on the HECC website.
 - AP (Advanced Placement) and IB (International Baccalaureate) in the MTM CAP:

Using the current *AP and IB Statewide Course Credit Policy* as a reference, the Major Transfer Map Curriculum Articulation Policy faculty subcommittee will assess how AP/IB exam scores apply to the MTM CAP (range of credits and course articulations). In particular, the MTM CAP faculty subcommittee will identify whether the credit range and course articulation of AP/IB exam scores differ among the 17 community colleges and 7 public universities in ways that create transfer misalignment for students earning the MTM.

The workgroup will refer all areas of misalignment to the AP/IB Statewide Policy Workgroup, which will coordinate with the higher education institutions' appropriate representatives (including faculty and academic leadership) to resolve the areas of misalignment by establishing common range of credits and defined articulations across the 17/7 so that AP/IB exam credit awarded at any community college will transfer to all public universities and apply as intended in the MTM CAP.

If 17/7 alignment in range of credits and course articulation for AP/IB exam scores is not possible, the MTM faculty subcommittee will determine whether the differences constitute acceptable and warranted variance within the MTM CAP. If so, the subcommittee will communicate about the variance to the Transfer Council upon submission of the MTM CAP. All participating institutions must adhere to the MTM CAP when accepting credits.

6. Please note that each Oregon public university has differing policies on institutionally administered exams (sometimes called Challenge Exams) and students should contact the admissions counselor or intake advisor at the university students intend to transfer to for more information.
7. Students should consult with advisors at their community college and receiving university if they have additional questions.

Part 3: Required Participation

Institutions listed on page two are required to participate in the MTM CAP as governed by the Oregon Administrative Rules (OAR) noted below:

715-025-0015

INSTITUTIONAL PARTICIPATION IN MAJOR TRANSFER MAP CURRICULUM ARTICULATION POLICY DEVELOPMENT

(1) Prior to the development of a CAP, the Commission shall, in consultation with institutions, determine which institutions offer programs that may be subject to the requirements of the CAP. The Commission shall provide a list of such institutions to the Transfer Council.

715-025-0035

COMMISSION CONSIDERATION AND APPROVAL OF MAJOR TRANSFER MAP CURRICULUM ARTICULATION POLICIES

(5) The Commission shall notify participating institutions in writing to provosts or chief academic officers within 60 days of approval of a CAP, and shall specify the academic year no later than which the CAP must first be available for students

715-025-0040

EFFECT OF MAJOR TRANSFER MAP CURRICULUM ARTICULATION POLICY ADOPTION ON INSTITUTIONS

(1) All institutions offering a program leading to a two-year certificate, associate degree, or bachelor's degree, excluding an applied baccalaureate degree, that is the subject of a CAP shall be bound by the terms of the CAP, except as provided in OAR 715-025-0060.

(2) Community colleges shall, not later than the start of the third academic year following notification by the Commission, grant students who are enrolled in the program subject to the notification the credential or designation specified in the Curriculum Articulation Policy, provided such student has completed the requirements of the CAP.

(3) Any institution that enrolls a student with the specified CAP credential or designation must afford the student the privileges of CAPs as specified in ORS 350.404 and the CAP, and shall not require a student to retake a course covered by the credential or designation earned.

Part 4: Institutional Obligations

First, Oregon public universities and community colleges will follow OAR 715-025-0055 to modify a MTM CAP. The Oregon Administrative Rule reads:

MODIFICATION OF MAJOR TRANSFER MAP CURRICULUM ARTICULATION POLICY

(1) An institution considering a course or curriculum change, including the creation of a new academic program, that impacts or may be impacted by an adopted CAP, shall notify the Transfer Council and Commission of the proposed course or curriculum change prior to the implementation of such change.

(2) If the change proposed as provided in section (1) of this rule is the creation of a new program, the Commission shall determine whether the program is subject to the requirements of an existing CAP.

(3) Pursuant to the annual review as provided in OAR 715-025-0050, or upon notification from an institution as provided in section (1) of this rule, the Council shall determine if modification to the CAP is required.

(4) The Council shall appoint a subcommittee for the purpose of considering any modifications and making recommendations for modifying the CAP to the Commission.

(5) Any modifications to a CAP shall be made in accordance to the processes and requirements established in OAR 715-025-0020(2) to (4) and OAR 715-025-0030(2) and (3).

(6) An institution shall not implement any modification to a course or curriculum that would have the effect of causing the institution to be out of compliance with obligations under a CAP unless a modification is approved through the process established in this rule, or the institution receives an exemption as provided in OAR 715-025-0060.

Second, participating institutions will continue to work toward maximizing course alignment as much as possible with the goal of awarding direct equivalencies for all MTM courses, even when a transferring student has not completed the MTM.

Major Transfer Map: Statewide Articulation Agreement Participants to the Agreement

On March 20, 2025 and by a unanimous vote the Transfer Council recommends this MTM CAP to the Commission for approval.

On April 10, 2025 and by a unanimous vote the Commission approves this MTM CAP. MTM CAP is effective beginning Fall 2025.

Part 5: Major Transfer Map Participants

Subcommittee members:

Kevin Walker (EOU) – Co-Chair
Tom Atchison (TBCC) – Co-Chair
Hallie Neupert (OIT)
Prem Matthew (OSU)
Jacob Suher (PSU)
Madelyn Parsons (PSU)
Pavlina McGrady (SOU)
Heather Bottorff (UO)
Velda Arnaud (BMCC)
Todd Meislahn (CGCC)
Beverly Forney (Clackamas CC)
Linda Williamson (LCC)
Lindy Stewart (LBCC)
Heather Griffo (PCC)
Melissa Polen (RCC)

Institutional Participants:

Community Colleges	Public Universities
Blue Mountain Community College	Eastern Oregon University
Central Oregon Community College	Oregon State University
Chemeketa Community College	Portland State University
Clackamas Community College	Southern Oregon University
Clatsop Community College	University of Oregon
Columbia Gorge Community College	Western Oregon University
Klamath Community College	
Lane Community College	Oregon Institute of Technology
Linn-Benton Community College	
Mt. Hood Community College	
Oregon Coast Community College	
Portland Community College	
Rogue Community College	
Southwestern Oregon Community College	
Tillamook Bay Community College	
Treasure Valley Community College	
Umpqua Community College	

Higher Education Coordinating Commission Staff:

Leigh Graziano Office of Academic Policy & Authorization

Brittany Miles Office of Community College & Workforce Development

Part 6: Oregon Transfer Council 2024-2025

David Plotkin, Clackamas CC, Co-Chair

Christopher Long, UO, Co-Chair

Alix Gitelman, OSU

Randi Harris, PSU

Tyler Harris, COCC

Benji Henslee, Mazama High School

Traci Hodgson, Chemeketa CC

Nate Kersey, PSU

Jarrett Gilbert, CGCC

Christopher Walsh, EOU

Tad Shannon, WOU

Ryan Bonn, PCC

Kate Sullivan, LCC

Meredith Stone, WESD

Greg Hamann, Vice Chair HECC Commission (ex-officio)

Business MTM Design Narrative

The AST-Business Major Transfer Map (MTM) Curriculum Articulation Policy (CAP) was carefully designed to align curriculum requirements across institutions, streamline pathways for students, and ensure transfer success. Below are three key improvements from the previous MTM-MOU that illustrate how this MTM-CAP creates an equitable and efficient transfer process.

1. Introduction of Common Course Numbered (CCN) Courses

The first change is the inclusion of five (5) courses under the Common Course Numbering (CCN) system. This addresses previous inconsistencies in course offerings across institutions to ensure a standardized and seamless transfer experience. The core courses of BA 101Z, BA 169Z, BA 211Z, BA 213Z, and BA 226Z are now aligned across all participating institutions. This eliminates confusion for students and advisors, fills a critical curricular gap, and guarantees academic rigor while preserving credit transferability.

2. Streamlined Math Requirements

The MTM emphasizes a “common denominator” approach to math coursework, simplifying the transfer process for students and advisors. Previously, differences in math pathways across institutions caused confusion and created perceived inequities. By focusing on shared prerequisites, this redesign eliminates unnecessary complexity. Unlike the MTM-MOU, which had two math pathways and a chart of varying math requirements across the seven (7) universities, the MTM-CAP has built in the shared minimum math requirements. Students can use electives to take additional math, if necessary, once they decide on a transfer destination.

3. Addressing Minor Math Variances

While the Core Transfer Map (CTM) ensures math courses at the level of MTH 105Z or higher are universally accepted, students transferring to specific institutions must complete MTH 111Z (College Algebra) before graduation. Including this note in the MTM-CAP ensures that students targeting universities with stricter math requirements are not disadvantaged. This approach balances flexibility for most students while providing critical direction for those transferring to institutions where MTH 111Z is essential. Students do not need to make this decision early; they can take MTH 105Z and use one of their electives to complete MTH 111Z. The note serves to flag advisors and students that this is an essential prerequisite that must be taken before transfer to ensure timely progress in the major.

Conclusion

The AST-Business MTM reflects a balanced design that respects institutional uniqueness while providing students with clear, equitable pathways to success. Through the inclusion of CCN courses, alignment of math pathways, and strategic guidance on minor variances, this MTM-CAP reduces barriers, improves transparency, and supports student success. These updates

represent a shared commitment by Oregon's community colleges and universities to foster collaboration and enhance transfer opportunities for all students.

This Major Transfer Map Curriculum Articulation Policy (MTM CAP) outlines specific course requirements for students at any participating Oregon community college who plan to transfer to a participating four-year public university and earn a Bachelor of Science in Business. A completed Core Transfer Map will transfer to any of the 7 Oregon Public Universities (OPU). A complete MTM-CAP will give students all guarantees listed in this MTM CAP at the participating OPUs listed in this agreement. **The MTM CAP is intended for students who know they want to transfer and earn a Bachelor of Science in Business, but who are unsure of their intended transfer destination.** Students should work with an advisor to ensure they fulfill the requirements of this major transfer map. **Students who are certain of both their major and their intended transfer destination should consult an advisor for information on an existing specific articulation agreement or degree map that will prescribe their course requirements.**

Note that in order for a student to successfully transfer to an Oregon public university, students must at a minimum:

1. Earn a grade of a “C-” or better in courses in the major
2. Take courses in the major for a grade— Oregon public universities do not accept “pass/no pass”
3. Earn a cumulative grade point average of 2.0

Minimum grades required for general transfer and for application to major requirements and prerequisites may vary by each Oregon public university and by each degree/major. Each MTM CAP agreement will specifically list the minimum grade requirements that will guarantee transfer including minimum required grades for major courses and Pass/No Pass limitations. All schools accept a grade of a “C -” or better in all general education courses. Students should contact the admissions counselor or intake advisor at the university they intend to transfer to for more information.

Students are strongly encouraged to seek advising before their first term of college and after they have completed the 27-35 credits of the Core Transfer Map (CTM) Requirements. Students should also be aware that if they want to complete an MTM CAP in two years, they should take an average of 45 credits per year, or approximately 15 credits per quarter. Finally, to earn an associate degree, students will need to successfully complete at least 90 credits.

CORE TRANSFER REQUIREMENTS		
<i>See an advisor for recommended courses before your first term</i>		
<i>Writing</i>		
1 course	WR121Z	4
<i>Arts & Letters</i>		
1 st course:	Select from AAOT course list	3-4
2 nd course:	Select from AAOT course list	3-4
<i>Social Sciences</i>		
1 st course	ECON 201Z	4
2 nd course	ECON 202Z	4
<i>Natural Sciences</i>		
1 st course	Lab Science from AAOT course list	4-5

2 nd course	Lab Science from AAOT course list	4-5
Mathematics		
1 course	MTH 105Z or higher* <i>(*MTH 111Z must be taken for UO, OIT, and OSU prior to transfer)</i>	4-5
At least 1 Core Transfer Requirement course must also satisfy Cultural Literacy outcomes for AAOT		
Core Transfer Requirement Total		30-35
ADDITIONAL GENERAL EDUCATION COURSES		
Writing	WR 227Z	4
Communications	COMM 111Z	4
Additional GE Course Total		8
BUSINESS COURSES		
Excel Skills	BA 169Z	4
Introduction to Business	BA 101Z	4
Financial & Managerial Accounting		
1st Course	BA 211Z	4
2nd Course	BA 213Z	4
Business Law	BA 226Z	4
Statistics	BA 275 or STAT 243Z*	4
Business Major Total		24
ADDITIONAL COURSES TO REACH 90 CREDITS		
<i>See an advisor for recommended courses</i>		
At this point [above = 62-67 credits], it is recommended students pursue these options:		
<ol style="list-style-type: none"> 1. Take courses that will apply to their minor of choice, that will transfer to the Oregon public university of their choice (work with an advisor) 2. Take courses that will apply to the general education or the major at the Oregon public university of their choice (work with an advisor) 3. Take electives to reach 90 credits, that will transfer to the Oregon public university of their choice (work with an advisor) 		
<i>*Additional math and/or statistics may be required by the transfer university and can be taken before transferring. See the post-transfer crosswalk for additional math requirements. *</i>		
MTM Total		90

Minimum letter grade and/or GPA requirements for MAJOR Coursework <i>If the cell is blank, you must achieve a minimum letter grade of C- in that course</i>	
OSU	<p>'C' or higher is required in the listed courses for the following majors/options:</p> <ul style="list-style-type: none"> Accountancy – BA211Z, BA213Z Business Analytics: <ul style="list-style-type: none"> Digital Marketing Analytics option – BA223 (Principles of Marketing) Marketing Research Analytics option – BA223 (Principles of Marketing) Human Resources Analytics option – BA252 (Managing Individual and Team Performance) Finance – BA240 (Finance) Marketing – BA223 (Principles of Marketing) Organizational Leadership – BA252 (Managing Individual and Team Performance) Supply Chain and Logistics Management – BA252 (Managing Individual and Team Performance)
OIT	C
UO	3.0 combined transfer/UO cumulative GPA and 3.0 combined GPA in the following courses: BA 101Z, BA 211Z, BA 213Z, EC 201Z and EC 202Z for guaranteed admission to the College of Business.

Program Learning Outcomes: Associate of Science Transfer Degree in Business

Upon completion of the AST in Business, students will be able to:

1. Explain basic business functions and their integration into the business environment.
2. Integrate diverse cultural perspectives and ethical reasoning and actions into business decisions.
3. Demonstrate effective oral and written communication skills.
4. Apply critical thinking and analytical reasoning skills to business decisions.

Business MTM Post-Transfer Crosswalk

Transfer Map	Credits	EOU	OIT	OSU	PSU	SOU	UO	WOU
Writing – WR 121Z	4	WR 121Z	WR 121Z	Core Education: Writing Foundations (1 of 1 course)	1 of 2 University Writing Courses	1 of 3 Purposeful Learning courses (3-4 credits) - WR 121Z	WR121Z	1 of 2 Foundations: Writing courses (4 credits)
Arts & Letters – 2 courses	6-8	2 Aesthetics and Humanities courses	2 Humanities courses	Core Education: Arts & Humanities (2 of 2 courses - one in A&H- General and one in A&H-Global)	No additional credits needed to fulfill this beyond ECON & COMM. Additional credits, if taken, apply to 180 credits for graduation and to waive Finrq & Sinq UNST requirements.	1 Creativity and Expression course (3-4 credits) 1 Creativity & Innovation course (3-4 credits) 1 Inquiry and Analysis course (3-4 credits) 1 Numerical Literacy course (3-4 credits) 1 Equity, Diversity & Inclusion (3-4 credits)	2 Arts and Letters courses (6-8 credits)	2 of 2 Exploring Knowledge: Literary and Aesthetic Perspectives courses (6-8 credits)
Social Science – 2 courses ECON 201Z ECON 202Z	6-8	Fulfills major requirement and half of social science GE requirement. An additional SSC course outside of ECON is required.	Fulfills major requirement and social science GE requirement	Core Education: 1 of 1 Social Science; 1 of 1 Communication, Media, and Society (2 of 2 courses). Both courses also count towards major requirements	Required for major. Also counts towards BS AL/SSC requirement(min. 10 credits)	2 Social Science courses (6-8 credits)	2 of 2 Exploring Knowledge: Social, Historic, and Civic Perspectives courses (6-8 credits)	ECON 201Z and ECON 202Z are required for the major and fulfill this GE category.
Natural Science – 2 courses w/labs	8-10	2 Natural & Info Science courses	2 Science/Mathematics courses; lab science requirement met	Core Education: Scientific Inquiry and Analysis (2 of 2 courses)	8-10 (of 10 credit min.) science requirement (6 credits must be w/lab)		2 Science courses (8-10 credits; standalone lab course will not count in this requirement)	2 of 2 Exploring Knowledge: Scientific Perspectives courses (8-10 credits)
Math – 1 course	4-5	1 college-level mathematical course	1 Science/Mathematics course; mathematics requirement met	Core Education: Quantitative Literacy and Analysis (1 of 1 course). Students who test into MTH 241 (major requirement) will not be required to complete MTH 111Z	1 Math or Statistics course		Counts toward 1 term of requirement for 1 year college level Math (4-5 credits)	1 of 1 Foundations: Math course (4 credits)
One course must also satisfy: AAOT Cultural Literacy Requirement		Meets DPD requirement	Meets Intercultural Studies recommendation			Met with Equity, Diversity & Inclusion credits	Counts as 1 of 2 required Cultural Literacy courses (6-8 credits)	
Courses must total minimum of 30 credits, can be filled by an elective credit if needed		Additional credits taken to reach 30 in the Foundational Curriculum will be applied to the general education category associated with them.	Additional courses taken to reach 30 credit minimum will be applied to the appropriate General Education category.	Additional courses taken to reach 30 credit minimum will be applied to the appropriate Core Education category.	Additional credits (as many as 9) taken to reach 30 credit total will be applied to the 30 credit minimum needed to waive the 15 credit - first year University Studies requirement - First Year Inquiry (FRINQ). See remaining BA/BS and University General Education Requirement section for recommendations.	Core Transfer Maps will be taken as a block only. The courses and categories in the Core Transfer Map will not be singularly articulated to SOU's Lower Division GE Capacity Model.	Additional credits taken to reach 30 will be applied to the appropriate General Education requirement.	Additional credits taken to reach 30 will be applied to the appropriate General Education requirement. 2 of 2 First Year Seminars (8 credits) covered by CTM but not via direct articulation.
Total Credits Completed (range)		30-34 credits	30-34 credits	30-34 credits	30-34 credits	30-34 credits	30-34 credits	30-34 credits
Additional General Education Courses	Credits	EOU	OIT	OSU	PSU	SOU	UO	WOU
WR 227Z	4	BA 225 Business Communications (4 cr.). Completes 2nd lower division University Writing Requirement (UWR)	Meets general education requirement (4 credits)	Core Education: Writing Elevation (1 of 1 course)	Meets 2 of 2 University writing requirement (4 credits)	Completes second part of SOU WR requirement in place of WR122Z (4 credits)	Completes second part of UO WR requirement in place of WR 122/123 (4 credits)	Completes 2 of 2 Foundations: Writing courses (4 credits)
COMM 111Z	4	GTW gen ed credit (4 credits)	Required for Gen Ed. (4 credits)	Meets major requirement	COMM 111Z (4 credits)	COMM 111Z will transfer as a "block" with WR121Z and WR 122z	COMM 111Z; counts towards GE requirements (Arts and Letters) (4 credits)	COMM 111Z meets Foundations: Communication and Language (4 credits)
Total Additional General Education Courses	8	8 credits	8 credits	8 credits	8 credits	8 credits	8 credits	8 credits
Major Courses	Credits	EOU	OIT	OSU	PSU	SOU	UO	WOU
Excel Course (BA 169Z)	4	Meets major requirements	BA 169Z 4 of 15 credits of business electives	Meets major requirement	Meets major requirements	Will transfer to SOU as a lower-division course	Meets major requirements	Meets major requirement
Introduction to Business (BA 101Z)	4	BA 101Z business elective	BA 101Z 4 of 15 credits of business electives	Meets major requirement	Meets major requirements	BA 101Z	BA 101Z Counts towards the major and social science requirement	BA 101Z counts as business elective
Financial & Managerial Accounting (BA 211Z, BA 213Z)	8	Meets major requirements	Meets major requirements	Meets major requirements	Meets major requirements	Meets major requirements	Meets major requirements	Meets major requirements
Business Law (BA 226Z)	4	Meets major requirement	Meets major requirement	Meets major requirement	Counts as business major elective (82 overall business credits required)	Meets major requirement	Substitutes for BA 325 in the upper division business core requirement	Meets major requirement
Statistics (STAT 243Z or BA 275)	4	STAT 243Z required prerequisite & SMI	STAT 243Z (4 credits)	BA275 is preferable and meets major requirements. If STAT243Z is completed, student would need to take MTH/STAT244 as well to satisfy the BA275 major requirement.	Meets major requirement.	Meets major requirement	STAT 243Z preferred by either will work to meet major requirement.	Meets major requirement
Electives to Reach 90 Credits	Credits	EOU	OIT	OSU	PSU	SOU	UO	WOU
Additional Electives		Additional GEC courses to meet 90 credits	Additional electives to meet 90 credits	Additional electives to meet 90 credits Recommended (if available): -- BA223 Principles of Marketing -- BA240 Finance -- BA252 Managing Individual and Team Performance -- BA260 Foundations of the Entrepreneurial Mindset -- BA270 Business Process Management Equivalent courses are acceptable.	Additional electives to meet 90 credits. Recommended: -- Course(s) to finish BS Science/Lab science requirement. 10 total credits, 6 min with lab component. (0-2 credits) -- Race & Ethnic Studies Requirement course (min 3 credits) if available.	Additional electives to meet 90 credits Strongly recommended: -- Math 241; -- Also recommended additional credits in arts and letters (4), social science (4), or science (8)	Additional electives to meet 90 credits Strongly recommended: -- Math 241; -- Also recommended additional credits in arts and letters (4), social science (4), or science (8)	Additional electives to meet 90 credits
Completed Major Transfer Map Credit Total		90 credits	90 credits	90 credits	90 credits	90 credits	90 credits	90 credits
Remaining Degree Requirements	Credits	EOU	OIT	OSU	PSU	SOU	UO	WOU
Remaining General Education or BA/BS Requirements								
		Additional GEC to meet 60 credits/second discipline requirement	1 course in ethics (PHIL 331)	Core Education: Difference, Power & Oppression Foundations (1 course; 3-4 credits)	One science course if less than 10 credits (6 with lab) were taken pre-transfer (min 2 credits)	Science course is not required	3-6 credits of Arts and Letters remaining to get to 15 credits. Use electives to reduce remaining, if possible, and try to overlap with UO cultural literacy requirement	1 course from Foundations: Critical Thinking category (3-4 credits required)
		60 total upper division credits needed to complete degree		Core Education: Transitions (1 course; 2 credits)	12 credits in upper division cluster	12 credits in upper division capacities (4 of those credits are met with BA 324 Bus Comm)	3 credits of Social Science remaining to get to 15 credits. Use electives to reduce remaining, if possible, and try to overlap with UO cultural literacy requirement	1 course from Foundations: Health Promotion category (3-4 credits required)
			2 additional courses in writing or speech from approved list (total of 6 courses in communication for gen ed: WRI 121, WRI 122, WRI 227, SPE 111, SPE 321, COMM elect. from approved list)	Core Education: Beyond OSU 1 (embedded in major requirement course BA381)	One course (min 3 credits) meeting the Race & Ethnic Studies Requirement. May be taken at community college if available.	Minor, Certificate, or one year Study Abroad required** ECON or Marketing minor (16 credits) -> supports degree completion in 90 credits *Business Administration students cannot take the Business Administration minor **Other minors and certificates can be chosen but might not be able to be completed within 90 credits.	5-7 credits of science coursework. Use MTM electives to reduce number needed here.	1 course from Integrating Knowledge: Science, Technology, and Society category (3-4 credits required)
			2 social science courses beyond ECON (PSY 201, PSY 347 (equivalent to BA 285) unless taken as electives at CC	Core Education: Beyond OSU 2 (embedded in major requirement course BA311) Core Education: Seeking Solutions (1 course; 3-4 credits)			Math 241 (4) - use MTM elective credits to take this before transferring if possible.

Appendix A: Curriculum Memos

To: HECC

From: Heather Bottorff, Lundquist College of Business

Date: March 6, 2025

RE: Major Transfer Map in Business

Summary of Agreement with UO:

1. WR 227 Technical Writing: The UO senate and Core Education Council approved accepting WR 227 as clearing the second four credits of the required eight credits of writing at University of Oregon when transferred from an Oregon community college as part of a completed Business MTM. WR 227 will not articulate as a specific UO writing course, but rather as WR 200T. This decision was approved by the university senate as of Fall 2021.
2. The University of Oregon's Lundquist College of Business will accept BA 226z as replacement credit for BA 325, Business Law and Ethics, a required business major core course. This replacement requires completion of the Business MTM. BA 226z will transfer to the UO as BA 200T and BA 325 will be waived as a requirement for the business major.

OFFICE OF THE PROVOST

3201 Campus Drive, Klamath Falls, OR 97601
541.885.1663 (office) 541.885.1101 (fax) email: provostoffice@oit.edu

Dear Higher Education Coordinating Commission:

Oregon Institute of Technology is prepared to continue accepting MTM transfer students into our B.S. Business – Management degree program according to the Major Transfer Map approved by the Business MTM Faculty Subcommittee.

Over the course of the 2025-2026 academic year, we will be revising the business major curriculum to align with the MTM agreement. For now, OIT is committed to ensuring that all MTM transfer students can complete their BS degree in 180 credits, and we will work individually with students to evaluate the appropriate substitutions/articulations needed to make that happen.

Before Fall 2026, we will reach out to the Transfer Council to request a modification to the MTM-CAP so that we can update our crosswalk to reflect this new revised curriculum.

Respectfully,

A handwritten signature in black ink, appearing to read "H. El-Rewini", followed by a horizontal line.

Hesham El-Rewini, Ph.D., P.E.

Interim Provost and VP for Academic Affairs, Strategic Enrollment Management

/prt

Appendix B: Notes & Approved Modifications

NOTES

1. CIP Code: 52.0101
2. CIP 7 = ^

TRANSFER COUNCIL APPROVED MODIFICATIONS (OAR 715-025-0055)

- 2025-02-20: Revisions to CAP Policy Template and Course Development Template.
- 2025-03-20: Revisions to Pre-Transfer Crosswalk to include NWCCU language.
Approved language was added to all submitted crosswalks.
