

**Oregon Adult College and Career Readiness Standards  
Orientation and Training Plan  
Due June 30, 2022**

All lead instructors, local OACCRS leads, program administrators and faculty must complete OACCRS Foundation Training as a prerequisite to all other OACCRS training. This comprises completion of the introduction to OACCRS (OACCRS Training Module 1) which is available on the CCWD website, the Adult Education Module, and local OACCRS training.

Per the [Oregon ABS Policy Manual](#), Section 4.1, page 12, programs must develop a professional development plan to promote and support individual staff development and program improvement in the use of the **Oregon Adult College and Career Readiness Standards**. Please describe your plan by answering the questions below.

**College:** \_\_\_\_\_ **Director:** \_\_\_\_\_

1. Describe the process your program has for ensuring that all faculty and program administrators complete the introduction to OACCRS (OACCRS Training Module 1), within one year of hire (full-time faculty) or two years of hire (part-time faculty).
  
  
  
  
  
  
  
  
  
  
2. New hires should complete the required **Adult Education Module** in its entirety, and other faculty should review sections as appropriate. Describe the process you will put in place to ensure all faculty complete the Adult Education Module.
