

CCN Subcommittees 2022-2023

Transfer Council and the HECC would like to recognize the members of the first CCN Subcommittees, whose dedication, time, and expertise helped pave the way for improving the transfer experience for students in the State of Oregon.

As per SB 233 Section 6 (5)(b), a subcommittee established by Transfer Council must “consist of equal numbers of faculty from public universities and community colleges.” Transfer Council determined that each subcommittee would consist of 8 members from community colleges and 8 members from public universities. This is a list of all subcommittee members with their institutional affiliation.
