

### Workday Enhancements

As part of the Workday 2020 automatic enhancements, there is a redesign of the external candidate home page. This feature improves the candidate experience by simplifying actions on the job application and completing tasks. It provides a clearer view into your job application activity and makes it easier to understand and respond to tasks. The new page layout will be available Saturday 9/12/20.

### Current external candidate home page.

**Welcome,**

Thanks for your interest in working on our team!

This is your page. Keep track of both your progress in the selection process and new postings that might interest you.

*An exclamation mark next to your application means there is a task for you to complete to continue forward in the selection process. Please click on the application to complete the task.*

**About Us**

Oregon state government is a large organization by nearly any standard. With over 40,000 employees working all over the state, in small communities and large, we are proving that government can be innovative. We work as a team, challenging ourselves to be better, faster and more efficient with taxpayer dollars. After all, when every day we are responsible for caring for the needs of a diverse population and thriving business community.
