Alternative Dates Report May 19, 2023

For alternative dates approved by the director as provided by OAR 660-012-0012.

About This Report

The report provides a summary of the alternative dates approved by the director as provided in OAR 660-012-0012(3). This provision gives local governments the opportunity to request different dates for certain requirements in the Transportation Planning Rules ("TPR", OAR chapter 660, division 12).

This report provides a summary of approvals to date. This report will be periodically updated as more alternative dates are approved. Jurisdictions in the Salem-Keizer and Eugene-Springfield metropolitan areas may submit joint work programs with alternative date elements in conjunction with requirements in OAR chapter 660, division 44 no later than June 30, 2023.

Approved Alternative Dates

The director has approved alternative dates for 21 jurisdictions. A complete summary of these approved alternative dates is included in attachment A to this report. This is the sixth alternative dates report. The following jurisdictions have received approved alternative dates since the fifth report:

- Beaverton, approved May 18, 2023
- Bend, modification approved March 21, 2023

Expected Alternative Dates

The department is not presently in receipt of requests for alternative dates from other jurisdictions. As requests are reviewed and approved, future versions of this report will include these alternative dates. The director may also adjust approved alternative dates. Any adjustments will also be noted in future versions of this report.
