Alternative Dates Report 17 September 22, 2025

For alternative dates approved by the director as provided by OAR 660-012-0012.

About This Report

The report provides a summary of the alternative dates approved by the director as provided in OAR 660-012-0012(3). This provision gives local governments the opportunity to request different dates for certain requirements in the Transportation Planning Rules ("TPR", OAR chapter 660, division 12).

This report provides a summary of approvals to date. The department will periodically update this report as the director approves or adjusts alternative dates.

Approved dates that have passed by the date of this report are marked in ~~striketrough~~.

Approved Alternative Dates

A complete summary of approved alternative dates is included below. The director has approved adjusted alternative dates for these jurisdictions since report 16:

- Coburg
- Marion County
- Oregon City
- Salem
- Tualatin

Future Alternative Dates

As additional requests are received, reviewed, and approved, future versions of this report will include these alternative dates. The director may also adjust approved alternative dates. Any adjustments will also be noted in future versions of this report.
