TPR Alternative Dates Report 18

Oregon Department of Land Conservation and Development
December 17, 2025

About This Report

The report provides a summary of the alternative dates approved by the director as provided in OAR 660-012-0012(3). This provision gives local governments the opportunity to request different dates for certain requirements in the Transportation Planning Rules (“TPR”, OAR chapter 660, division 12).

This report provides a summary of approvals to date. The department will periodically update this report as the director approves or adjusts alternative dates.
