

Minor Report for Central Point

For the 2024 reporting year

This report was submitted by Central Point to meet the requirements of Oregon Administrative Rules (OAR) 660-012-0900(6) for the 2024 reporting year. The Department of Land Conservation and Development has reviewed the submittal as provided in OAR 660-012-0915(1) and deemed it complete. This document was generated by the department using information submitted by Central Point.

OAR 660-012-0900(6)(a)

(a) A narrative summary of the state of coordinated land use and transportation planning in the planning area over the reporting year, including any relevant activities or projects undertaken or planned by the city or county;

The City collaborated with Jet Planning and 3J Consulting to prepare amendments to the Comprehensive Plan and Zoning Code to designate a Climate Friendly Area (CFA) on the east side of town. Throughout the planning process, City Staff engaged with members of the community using the Citizen's Advisory Committee, Planning Commission and City Council. We requested an extension and completed adoption of the amendments on March 13, 2025.

Additionally, the City obtained technical assistance funds to work with Cascadia partners to audit the land development codes for compliance with City-wide walkable design standards. We scoped the contract with work beginning in 2025.

OAR 660-012-0900(6)(b)

(b) The planning horizon date of the acknowledged transportation system plan, a summary of any amendments made to the transportation system plan over the reporting year, and a forecast of planning activities over the near future that may include amendments to the transportation system plan;

TSP planning horizon date: 2030

Summary of amendments to the TSP:

The City did not make any amendments to the TSP in 2024.

Forecast of future planning activities:

The City is collaborating with ODOT and Public Works to scope a comprehensive TSP update to comply with all of rules in OAR 6600-012. The update is scheduled to kick-off in early 2026 and is anticipated to be complete by 2028.
