

Minor Report for Corvallis

For the 2024 reporting year

This report was submitted by Corvallis to meet the requirements of Oregon Administrative Rules (OAR) 660-012-0900(6) for the 2024 reporting year. The Department of Land Conservation and Development has reviewed the submittal as provided in OAR 660-012-0915(1) and deemed it complete. This document was generated by the department using information submitted by Corvallis.

OAR 660-012-0900(6)(a)

(a) A narrative summary of the state of coordinated land use and transportation planning in the planning area over the reporting year, including any relevant activities or projects undertaken or planned by the city or county;

South Corvallis Area Planning

Project in process to update land use and local transportation in the South Corvallis area and urban fringe.

- Relies on current TSP arterials and collectors, with potential minor adjustments to be considered by decision makers at adoption phase
- Enhances pedestrian and bicycle alternatives off of the 99W corridor
- Plans for future critical local street connections for vehicle and alternative transportation methods

Southwest Corvallis Area Plan

Project kick-off 2025

- Land use and transportation project

Oregon 99W Facility Plan - Adopted

ODOT-led project to refine transportation planning along the 99W corridor.

CFEC-related Changes

- Received extension to June 30, 2025 for adoption of CFA site. City Council tentatively adopted May 19, 2025
- Performed multi-modal gap analysis (with COG)
- Performed highway impact analysis (with ODOT)

OAR 660-012-0900(6)(b)

(b) The planning horizon date of the acknowledged transportation system plan, a summary of any amendments made to the transportation system plan over the reporting year, and a forecast of planning activities over the near future that may include amendments to the transportation system plan;

TSP planning horizon date: 2040

Summary of amendments to the TSP:

Corvallis did not adopt any TSP amendments in 2024.

Forecast of future planning activities:

Safe Street for All Kick-off in 2025

- Safety for active transportation modes
- Road safety audits

Southwest Corvallis Area Plan

- Land use and transportation analysis that may result in TS amendments

Corvallis may adopt future TSP amendments in the coming years related to:

- ODOT 99W Corridor Study
- South Corvallis Area Plan
- West Hills Road Plan
- CAMPO Philomath Boulevard Functional Design Study

OAR 660-012-0900(6)(c)

(c) Copies of reports made in the reporting year for progress towards centering the voices of underserved populations in processes at all levels of decision-making as provided in OAR 660-012-0130 and a summary of any equity analyses conducted as provided in OAR 660-012-0135; and

Any included reports are attached to this document.

Summary of equity analyses:

N/A

OAR 660-012-0900(6)(d)

(d) Any alternatives reviews undertaken as provided in OAR 660-012-0830, including those underway or completed.

No alternatives reviews pursuant to -830 were undertaken in 2024. Some of the above-mentioned projects may require this review as a result of the outcomes of projects currently underway.
